

ORANGE
EUR 30,000,000,000
Euro Medium Term Note Programme

On 19 December 2002 Orange (formerly known as France Telecom), a French *société anonyme* (the **Issuer**), entered into a EUR 30,000,000,000 Euro Medium Term Note Programme (the **Programme**) and issued an offering circular on that date describing the Programme. This Base Prospectus supersedes all previous offering circulars prepared in connection with the Programme. Any Notes (as defined below) issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions described herein. This does not affect any Notes already in issue.

On 1 July 2013, France Telecom's company name became Orange pursuant to a resolution of the shareholders meeting of 28 May 2013.

Under the Programme, the Issuer may from time to time issue notes in bearer form (the **Notes**) denominated in any currency agreed between the Issuer and the relevant Dealer (as such dealers are indicated below). The minimum denomination of each Note will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed EUR 30,000,000,000 (or its equivalent in other currencies calculated as described herein). A description of the restrictions applicable at the date of this Base Prospectus relating to the maturity of certain Notes is set out under "Summary of the Programme".

Application has been made to the *Autorité des marchés financiers* (the **AMF**) for approval of this document as a base prospectus, in its capacity as competent authority pursuant to Article 212-2 of its *Règlement général* which implements the Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading (as amended, including by Directive 2010/73/EU, the **Prospectus Directive**). Application may be made to Euronext Paris for Notes issued under the Programme for a period of 12 months from the date of this Base Prospectus to be listed and admitted to trading on the regulated market of Euronext Paris (a regulated market for the purposes of the Markets in Financial Instruments Directive (**Directive 2004/39/EC**)).

The aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in a final terms document (the **Final Terms**) which, with respect to Notes to be listed and admitted to trading on Euronext Paris, will be filed with the AMF.

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or market(s) as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Notes and/or Notes not admitted to trading on any market.

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be admitted to trading on Euronext Paris) a supplement to this Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Orange is currently rated (i) for its long-term debt, BBB+ (negative outlook) by Standard & Poor's Ratings Services, Baa1 (stable outlook) by Moody's Investors Services and BBB+ (stable outlook) by Fitch Ratings; and (ii) for its short-term debt, A2 by Standard & Poor's Ratings Services, P2 by Moody's Investors Services and F2 by Fitch Ratings (together, the **Rating Agencies**). Each of the Rating Agencies is established in the European Union and registered under Regulation (EU) No. 1060/2009 on credit rating agencies as amended by Regulation (EU) No. 513/2011 (the **CRA Regulation**) and is included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu/page/List-registered-and-certified-CRAs). Notes issued under the Programme may be rated or unrated. The rating of the Notes (if any) will be specified in the relevant Final Terms. Whether or not each credit rating applied for in relation to a relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms. Credit ratings are subject to revision, suspension or withdrawal at any time by the relevant rating organisation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency without notice.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (the Securities Act) and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. Persons (see "Subscription and Sale" below).

Copies of this Base Prospectus and of any documents incorporated by reference therein may be obtained from the registered office of the Issuer. This Base Prospectus (together with any Supplement to the Base Prospectus), the 2013 Share Registration Document and the 2014 Share Registration Document will be published on the websites of the Issuer (www.orange.com) and of the AMF (www.amf-france.org) and all documents incorporated by reference in this Base Prospectus other than the Issuer's Registration Document will be published on the website www.info-financiere.fr.

In accordance with articles L.412-1 and L.621-8 of the French *Code monétaire et financier* and with the General Regulation (*Règlement général*) of the *Autorité des marchés financiers* (AMF), in particular articles 212-31 to 212-33, the AMF has granted to this Base Prospectus its visa n°15-272 on 12 June 2015. This document may be used for the purposes of a financial transaction only if it is supplemented by final terms. It was prepared by the Issuer and its signatories assume responsibility for it. In accordance with article L.621-8-1-1 of the French *Code monétaire et financier*, the visa was granted following an examination by the AMF of "whether the document is complete and understandable, and whether the information it contains is consistent". It does not imply that the AMF has verified the accounting and financial data set out herein. This visa has been granted subject to the publication of final terms in accordance with article 212-32 of the AMF's General Regulations, setting out the terms and conditions of the securities to be issued.

This Base Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see "*Documents Incorporated by Reference*" below and the supplements to this Base Prospectus). This Base Prospectus shall be read and construed on the basis that such documents are incorporated in and form part of this Base Prospectus.

This Base Prospectus (together with all documents which are incorporated herein by reference and the supplements to this Base Prospectus from time to time) constitutes a base prospectus for the purposes of Article 5.4 of the Prospectus Directive.

This Base Prospectus does not constitute a "prospectus" for the purposes of the Prospectus Directive in respect of any Notes (i) involving an offer to the public outside the EEA (if so specified in the applicable Final Terms) or of a type listed in Article 3.2 of the Prospectus Directive and (ii) which are not admitted to trading on a regulated market under Article 3.3 of the Prospectus Directive (any such Notes, Exempt Notes).

The Issuer (the **Responsible Person**) accepts responsibility for the information contained or incorporated by reference in this Base Prospectus and the Final Terms for each Tranche of Notes issued under the Programme and declares that, having taken all reasonable care to ensure that such is the case, the information contained or incorporated by reference in this Base Prospectus is, to the best of its knowledge, in accordance with the facts and contains no omission likely to affect its import.

Subject as provided in the applicable Final Terms, the only persons authorised to use this Offering Circular in connection with an offer of Notes are the persons named in the applicable Final Terms as the relevant Dealer or the Managers and the persons named in or identifiable following the applicable Final Terms as the Financial Intermediaries, as the case may be.

Any person (an **Investor**) intending to acquire or acquiring any securities from any person (an **Offeror**) should be aware that, in the context of an offer to the public as defined in the Prospectus Directive, the Issuer may be responsible to the Investor for the Base Prospectus only if the Issuer is acting in association with that Offeror to make the offer to the Investor. Each Investor should therefore verify with the Offeror whether or not the Offeror is acting in association with the Issuer. If the Offeror is not acting in association with the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus for the purposes of Article 6 of the Prospectus Directive as implemented by the national legislation of each EEA Member State in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents it should take legal advice.

AN INVESTOR INTENDING TO ACQUIRE OR ACQUIRING ANY NOTES FROM AN OFFEROR WILL DO SO, AND OFFERS AND SALES OF THE NOTES TO AN INVESTOR BY AN OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH OFFEROR AND SUCH INVESTOR INCLUDING AS TO PRICE, ALLOCATIONS AND SETTLEMENT ARRANGEMENTS. THE ISSUER WILL NOT BE A PARTY TO ANY SUCH ARRANGEMENTS WITH INVESTORS (OTHER THAN THE DEALERS) IN CONNECTION WITH THE OFFER OR SALE OF THE NOTES AND, ACCORDINGLY, THIS OFFERING CIRCULAR AND ANY FINAL TERMS WILL NOT CONTAIN SUCH INFORMATION. THE INVESTOR MUST LOOK TO THE OFFEROR AT THE TIME OF SUCH OFFER FOR THE PROVISION OF SUCH INFORMATION. THE ISSUER HAS NO RESPONSIBILITY TO AN INVESTOR IN RESPECT OF SUCH INFORMATION.

Copies of Final Terms will be available free of charge from the head office of the Issuer and the specified office of each of the Paying Agents (as defined below), in each case at the address given at the end of this Base Prospectus. Final Terms relating to Notes to be admitted to trading on Euronext Paris will also be available on the website of the AMF (www.amf-france.org).

The Arrangers and Dealers have not independently verified the information contained or incorporated by reference herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arrangers or the Dealers as to the accuracy or completeness of the information contained or incorporated by reference in this Base Prospectus or any other information provided by the Issuer in connection with the Programme or the Notes or their distribution. No Arranger or Dealer accepts any liability in relation to the information contained or incorporated by reference in this Base Prospectus or any information provided by the Issuer in connection with the Programme.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other information supplied in connection with the Programme or any Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers.

Neither this Base Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation or

constituting an invitation or offer by the Issuer or any of the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Base Prospectus nor any other information supplied in connection with the Programme or any Notes constitutes an offer by or on behalf of the Issuer or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Base Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained or incorporated by reference herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

This Base Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or the solicitation in such jurisdiction. The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this document may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes outside France or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made on the same terms. Persons into whose possession this Base Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including the United Kingdom and France) and Japan (see "*Subscription and Sale*" below).

This Base Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the EEA which has implemented the Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by final terms in relation to the offer of those Notes may only do so in circumstances in which (i) no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 calendar days after the issue date of the relevant Tranche of Notes and 60 calendar days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

All references in this document to (i) **USD** and **U.S. dollars** refer to the currency of the United States of America; (ii) **Japanese Yen** and **Yen** refer to the currency of Japan; (iii) **£** and **Sterling** refer to the currency of the United Kingdom, (iv) **€**, **euros** and **EUR** refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended (the **Treaty**); (v) **Renminbi** and **RMB** mean Renminbi Yuan and are to the lawful currency of the People's Republic of China, excluding the Hong Kong Special Administrative

FORWARD-LOOKING STATEMENTS

Some sections of this Base Prospectus, in particular, "Information about the Issuer", and of the documents incorporated by reference, contain forward-looking statements. The Issuer may also make forward-looking statements in their audited annual financial statements, in their interim financial statements, in their offering circulars, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Issuer's beliefs and expectations, are forward looking statements. These statements are based on current plans, estimates and projections, and therefore undue reliance should not be placed on them. Forward-looking statements speak only as of the date they are made, and the Issuer undertakes no obligation to update publicly any of them in light of new information or future events.

IMPORTANT INFORMATION RELATING TO PUBLIC OFFERS OF NOTES WHERE THERE IS NO EXEMPTION FROM THE OBLIGATION UNDER THE PROSPECTUS DIRECTIVE TO PUBLISH A PROSPECTUS

Restrictions on Public offers of Notes in Relevant Member States

Certain Tranches of Notes with a denomination of less than €100,000 (or its equivalent in any other currency) may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus. Any such offer is referred to as a **Public Offer**. This Base Prospectus has been prepared on a basis that permits Public Offers of Notes. However, any person making or intending to make a Public Offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**) may only do so if this Base Prospectus has been approved by the competent authority in that Relevant Member State (or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State) and published in accordance with the Prospectus Directive, provided that the Issuer has consented to the use of this Base Prospectus in connection with such offer as provided under "*Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)*" and the terms of that consent are complied with by the person (the **Offeror**) making the Public Offer of such Notes.

Save as provided above, neither the Issuer nor any Dealer has authorised, nor do they authorise, the making of any Public Offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)

Any person (an **Investor**) intending to acquire or acquiring any Notes from any Offeror other than the Issuer or a relevant Dealer should be aware that, in the context of a Public Offer of such Notes, the Issuer will be responsible to the Investor for this Base Prospectus under Article 6 of the Prospectus Directive only if the Issuer has consented to the use of this Base Prospectus by that Offeror to make the Public Offer to the Investor. None of the Issuer or any Dealer makes any representation as to the compliance by that Offeror with any applicable conduct of business rules or other applicable regulatory or securities law requirements in relation to any Public Offer and none of the Issuer or any Dealer has any responsibility or liability for the actions of that Offeror. **Save as provided below, neither the Issuer nor any Dealer has authorised the making of any Public Offer by any Offeror or consented to the use of this Base Prospectus by any other person in connection with any Public Offer of Notes. Any Public Offer made without the consent of the Issuer is unauthorised and neither the Issuer nor any Dealer accepts any responsibility or liability for the actions of the persons making any such unauthorised offer.** If the Issuer has not consented to the use of this Base Prospectus by an Offeror, the Investor should check with the Offeror whether anyone is responsible for this Base Prospectus for the purposes of Article 6 of the Prospectus Directive in the context of the Public Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on this Base Prospectus and/or who is responsible for its contents it should take legal advice.

In connection with each Tranche of Notes, and provided that the applicable Final Terms specifies an Offer Period, the Issuer consents to the use of this Base Prospectus in connection with a Public Offer of such Notes subject to the following conditions:

- (i) the consent is only valid during the Offer Period so specified;
- (ii) the only Offerors authorised to use this Base Prospectus to make the Public Offer of the relevant Tranche of Notes are the relevant Dealer and either:
 - (a) (i) if the applicable Final Terms names financial intermediaries authorised to offer the Notes, the financial intermediaries so named or (ii) if the Issuer appoints additional financial intermediaries after the date of the applicable Final Terms and publishes details of them on its website, each financial intermediary whose details are so published; or
 - (b) in any other case, any financial intermediary which is authorised to make such offers under Directive 2004/39/EC (the Markets in Financial Instruments Directive) and which has been duly appointed directly or indirectly by the issuer to make such offers, provided that such financial intermediary states on its website that it has been duly appointed as a financial intermediary to offer the relevant Tranche of Notes during the Offer Period and that it is relying on this Base Prospectus to do so;
- (iii) the consent only extends to the use of this Base Prospectus to make Public Offers of the relevant Tranche of Notes in each Relevant Member State specified in the applicable Final Terms; and
- (iv) the consent is subject to any other conditions set out in Part B of the applicable Final Terms.

The consent referred to above relates to Offer Periods occurring within 12 months from the date of this Base Prospectus. The Issuer accepts responsibility, in the jurisdictions to which the consent to use the Base Prospectus extends, for the content of this Base Prospectus in relation to any Investor who acquires any Notes in a Public Offer made by any person to whom consent has been given to use this Base Prospectus in that connection in accordance with the preceding paragraph, provided that such Public Offer has been made in accordance with all the Conditions attached to that consent.

AN INVESTOR INTENDING TO ACQUIRE OR ACQUIRING ANY NOTES IN A PUBLIC OFFER FROM AN OFFEROR OTHER THAN THE ISSUER WILL DO SO, AND OFFERS AND SALES OF SUCH NOTES TO AN INVESTOR BY SUCH OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH OFFEROR AND SUCH INVESTOR INCLUDING AS TO PRICE, ALLOCATIONS AND SETTLEMENT ARRANGEMENTS. THE ISSUER WILL NOT BE A PARTY TO ANY SUCH ARRANGEMENTS WITH SUCH INVESTORS IN CONNECTION WITH THE PUBLIC OFFER OR SALE OF THE NOTES CONCERNED AND, ACCORDINGLY, THIS BASE PROSPECTUS AND ANY FINAL TERMS WILL NOT CONTAIN SUCH INFORMATION. THE INVESTOR MUST LOOK TO THE OFFEROR AT THE TIME OF SUCH OFFER FOR THE PROVISION OF SUCH INFORMATION AND THE OFFEROR WILL BE RESPONSIBLE FOR SUCH INFORMATION. NONE OF THE ISSUER OR ANY DEALER HAS ANY RESPONSIBILITY OR LIABILITY TO AN INVESTOR IN RESPECT OF SUCH INFORMATION.

Section D – Facteurs de Risque		
D.2	Informations clés sur les principaux risques propres à l’Emetteur ou à son exploitation et son activité	<p>I Risques opérationnels</p> <p><i>Risques liés à la stratégie et à l’environnement économique</i></p> <p>Le développement rapide des usages du haut débit (fixe ou mobile) donne aux acteurs mondiaux de la sphère Internet l’occasion d’établir un lien direct avec les clients des opérateurs de télécommunications, privant ces derniers – dont Orange – d’une partie de leurs revenus et de leurs marges. Si ce phénomène se poursuivait ou s’intensifiait, il affecterait gravement la situation financière et les perspectives des opérateurs.</p> <p>Une grande partie du chiffre d’affaires d’Orange est réalisée dans des pays ou activités matures où la concurrence qui règne dans le secteur des télécommunications pourrait entraîner une baisse de la rentabilité de ses activités ou de ses parts de marché.</p> <p>Orange compte sur des relais de croissance dans les pays émergents où il a investi. Les investissements déjà réalisés pourraient ne pas donner les résultats escomptés, voire s’avérer source d’obligations inattendues, et le Groupe pourrait être confronté à un accroissement du risque pays. Les résultats du Groupe et ses perspectives pourraient en être affectés.</p> <p>La situation économique dégradée en France et en Europe pourrait se traduire par une diminution de la consommation et affecter ainsi de manière significative l’activité d’Orange et ses résultats.</p> <p><i>Risques liés au secteur</i></p> <p>Les défaillances ou la saturation des réseaux de télécommunications, des infrastructures techniques ou du système d’information pourraient réduire le trafic, diminuer le chiffre d’affaires et nuire à la réputation des opérateurs ou du secteur dans son ensemble.</p> <p>Orange est exposé au risque de perte, de divulgation, de communication à des tiers ou de modification inappropriée des données de ses clients. En outre, ses activités de Fournisseur d’accès à Internet et d’hébergeur sont susceptibles d’engager sa responsabilité ou nuire à sa réputation.</p> <p>Les infrastructures techniques des opérateurs de télécommunications sont vulnérables aux dommages ou aux interruptions provoquées par des catastrophes naturelles, incendies, guerres, actes terroristes, dégradations intentionnelles, actes de malveillance ou autres événements similaires.</p> <p>L’étendue des activités d’Orange et l’interconnexion des réseaux exposent le Groupe au risque de nombreuses fraudes, qui pourraient impacter son chiffre d’affaires et sa marge et nuire à son image.</p> <p>L’exposition aux champs électromagnétiques des équipements de télécommunication suscite des préoccupations quant aux éventuels effets nocifs sur la santé. La perception de ce risque pourrait s’aggraver, ou un effet nocif pourrait un jour être établi scientifiquement, ce qui aurait des conséquences négatives significatives sur l’activité et les résultats des opérateurs tels qu’Orange.</p> <p><i>Risques concernant les ressources humaines</i></p> <p>Si Orange ne réussissait pas à présenter une attractivité suffisante par rapport à ses concurrents pour recruter en temps voulu le personnel qualifié qui lui sera nécessaire dans tous les pays pour développer son activité, et assurer au</p>

sein du Groupe le maintien des connaissances et la continuité suffisante dans la gestion des projets en cours, ses activités commerciales et son résultat opérationnel pourraient en être affectés.

Orange a connu en 2009 une crise sociale importante en France. Le Groupe a mis en œuvre depuis 2010 un programme ambitieux de ressources humaines visant à répondre à cette crise. Mais le contexte économique tendu pourrait rendre plus difficile la bonne réalisation de ce programme, ce qui pourrait avoir un impact significatif sur l'image, le fonctionnement et les résultats du Groupe.

2 Risques juridiques

Orange opère dans des marchés fortement réglementés où elle bénéficie d'une marge de manœuvre réduite pour gérer ses activités. Les activités et le résultat d'Orange pourraient être affectés de manière significative par des changements législatifs, réglementaires ou de politique gouvernementale.

Orange est continuellement impliqué dans des procédures judiciaires et des litiges avec des autorités de régulation, des concurrents ou d'autres parties. L'issue de ces procédures est généralement incertaine et pourrait avoir un impact significatif sur ses résultats ou sa situation financière.

La rentabilité de certains investissements et la stratégie d'Orange dans certains pays pourraient être affectées par des désaccords avec ses partenaires dans des sociétés dont elle n'a pas le contrôle.

La sphère publique détient 25 % du capital d'Orange, ce qui pourrait, en pratique, lui permettre de déterminer l'issue du vote des actionnaires aux Assemblées Générales.

3 Risques financiers

Risque de liquidité

Les résultats et les perspectives d'Orange pourraient être affectés si les conditions d'accès aux marchés de capitaux devenaient difficiles.

Risque de taux

Les activités d'Orange pourraient être affectées par l'évolution des taux d'intérêt.

Risque relatif à la notation

Une revue à la baisse, une mise sous surveillance ou une révision de la perspective de la notation de la dette d'Orange par les agences de notation pourrait augmenter le coût de la dette et limiter dans certains cas l'accès de la société au capital dont elle a besoin (et donc avoir un effet défavorable et significatif sur ses résultats et sa situation financière).

Risque de crédit et/ou de contrepartie sur opérations financières

L'insolvabilité ou une détérioration de la situation financière d'une banque ou autre institution avec laquelle Orange a conclu un contrat pourrait avoir un effet défavorable significatif sur la société.

Risque de change

Les résultats et la trésorerie d'Orange sont exposés aux variations des taux de change.

Risque de dépréciation des actifs

Orange a enregistré des écarts d'acquisition importants à la suite des acquisitions réalisées depuis 1999. Des dépréciations de ces écarts d'acquisition ou d'autres actifs ont été et pourraient à nouveau être constatées en application des normes comptables dans les comptes d'Orange, y compris les comptes sociaux d'Orange SA, ce qui pourrait réduire la capacité de cette dernière à verser des dividendes. Par ailleurs, les résultats d'Orange et sa

		<p>situation financière pourraient être affectés par la baisse des marchés d'actions en cas de cession de filiales.</p> <p><i>Risque sur actions</i></p> <p>Des futures cessions par l sphère publique d'actions Orange pourraient affecter le cours de l'action Orange.</p>
D.3	<p>Informations clés sur les principaux risques propres aux Titres</p>	<p>Certains facteurs pourraient affecter la capacité d'Orange à remplir ses obligations vis-à-vis des Porteurs de Titres émis dans le cadre du Programme, notamment:</p> <ul style="list-style-type: none"> • Risques généraux relatifs aux Titres (ex : revue indépendante et conseil, conflits d'intérêt potentiels, légalité de la souscription, fiscalité, risques de liquidité et risques de change) tels que : <ul style="list-style-type: none"> - chaque investisseur potentiel doit déterminer, sur le fondement de son propre examen indépendant et des conseils professionnels qu'il estime appropriés selon les circonstances, si la souscription des Titres est pleinement adaptée à ses besoins financiers, ses objectifs et sa situation, et si cette souscription est un investissement adapté et approprié, nonobstant les risques clairs et importants inhérents au fait d'investir dans ou de détenir des Titres; - il ne peut y avoir de certitude sur l'existence d'un marché secondaire pour les Titres ou sur la continuité d'un tel marché si celui-ci se développe et il peut ainsi y avoir une absence de liquidité sur ce marché ; - la valeur des Titres sera affectée par la solvabilité d'Orange, et/ou du Groupe et par un certain nombre de facteurs supplémentaires ; - les acquéreurs et vendeurs potentiels des Titres doivent être informés qu'ils peuvent être amenés à payer des taxes ou d'autres droits de timbre conformément aux lois et pratiques des pays dans lesquels les Titres sont transférés ou dans d'autres pays. • Risques relatifs à la structure d'une émission particulière de Titres: <ul style="list-style-type: none"> - [toute caractéristique de remboursement optionnel en vertu de laquelle l'Émetteur a le droit de rembourser les Titres de façon anticipée pourrait avoir un effet négatif sur la valeur de marché de ces Titres. Pendant la période au cours de laquelle l'Émetteur peut rembourser les Titres, la valeur de marché de ces Titres ne connaît généralement pas de hausse substantielle au-dessus du prix auquel ils peuvent être remboursés. Ce peut être aussi vrai durant toute la période précédant la période de remboursement;] - [lors d'un investissement dans des Titres à taux fixe, il ne peut être exclu que des changements subséquents sur le marché des taux d'intérêts puissent affecter de manière négative la valeur de ces Titres;] - [la rémunération des Titres à taux variable (y compris les Titres Indexés sur le TEC 10) est souvent composée (i) d'un taux de référence (ou, dans le cas des Titres Indexés sur le TEC 10, le TEC 10) (ii) auquel s'ajoute ou est soustrait, selon les cas, une marge. Le taux de référence sera ajusté de manière périodique tel qu'indiqué dans les Conditions Définitives (par exemple tous les trois ou six mois). La valeur de marché des Titres à taux variable peut donc fluctuer si des changements affectant le taux de référence peuvent seulement être reflétés dans le taux de ces Titres à la prochaine période d'ajustement du taux de référence concerné ;] [et] - [les Titres libellés en Renminbi (Titres RMB) ne sont pas librement convertibles; il existe de nombreuses restrictions quant au versement de RMB à l'intérieur et en dehors de la République Populaire de Chine et la liquidité des Titres libellés en RMB peut

B.13	<p>Recent events impacting the Issuer's solvency</p>	<p>On 28 April 2015, Orange published a press release containing unaudited financial information for the first quarter of 2015, which is incorporated herein.</p> <p>On 10 March 2015, Orange received the expected statement of objections under the investigation into the Company's practices in the fixed and mobile enterprise markets by the French Competition Authority. The statement of objections levied four grounds for complaints against Orange: one for discrimination in the wholesale fixed-line market, two regarding loyalty practices in the mobile enterprise market and one for exclusive discounts in the enterprise data market. The Competition Authority's final decision is expected at the end of 2015. On 13 May 2015, the Competition Authority indicated that its investigating staff will review Orange's reply submissions as part of the usual adversary proceedings before handing over the case to the Board of the Authority, which will determine whether Orange's practices are anticompetitive and potentially impose a fine.</p> <p>On 7 May 2015, Orange bought back and cancelled the 14,184 perpetual bonds redeemable for shares with a nominal value of 14,100 euros each, reserved for MobilCom's suppliers, which remained outstanding. The bonds were issued in 2003.</p> <p>On 19 May 2015, the European Commission authorized Orange to take control of Jazztel, a publicly traded company in Spain, as part of the friendly tender offer (still subject to the approval of the Spanish market Authority) announced on 15 September 2014, and on 26 May 2015, the Spanish Securities Commission authorized the tender offer at a price of 13 euros per share representing a total amount of 3.4 billion in the case of an acquisition of 100% of Jazztel's capital.</p>

B.15	Principal activities	<p>Orange provides consumers, businesses and other telecommunications operators with a wide range of services including fixed telephony and mobile telecommunications, data transmission, Internet and multimedia, and other value-added services.</p> <p>In 2014, Orange non-consolidated revenues amounted to 23,67 billion euros.</p>
B.16	Major shareholders	<p>French Republic: 13.45% of the share capital.</p> <p>BPIfrance Participations (formerly the Fonds stratégique d'investissement (FSI), held by the French Republic): 11.60% of the share capital.</p> <p>On 24 December 2012, FSI and the French Republic signed a shareholders' agreement constituting joint action. Given the rate of participation in shareholders' meetings and the absence of other significant shareholder blocks, FSI and the French Republic could jointly determine the outcome of the shareholder vote on matters requiring a simple majority.</p>
B.17	Solicited credit ratings	<p>At the date of the Base Prospectus, the long-term debt ratings of the Issuer assigned by Standard & Poor's Ratings Services ("S&P"), Moody's and Fitch Ratings ("Fitch"), are BBB+ (negative outlook), Baa1 (stable outlook) and BBB+ (stable outlook), respectively. The short-term debt ratings of the Issuer assigned by S&P, Moody's and Fitch are A2, P2 and F2, respectively.</p> <p>S&P, Moody's and Fitch is established in the European Union and registered under Regulation (EU) No. 1060/2009 on credit rating agencies as amended by Regulation (EU) No. 513/2011 (the "CRA Regulation") and are included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the website of the European Securities and Markets Authority (www.esma.europa.eu) as of the date of this Base Prospectus.</p> <p>[The Notes to be issued have been rated:</p> <p>[S&P: [●]]</p> <p>[Moody's: [●]]</p> <p>[Fitch: [●]]]</p>

Section D – Risks

D.2	Key risks regarding the Issuer or its undertaking and its activities	<p><i>1 Operational risks</i></p> <p><i>Risks related to strategy and the economic environment</i></p> <p>The rapid growth in broadband use (fixed or mobile) allows global players of the Internet sector the opportunity to establish a direct link with telecommunications operators' customers, thus depriving the latter, including Orange, of a share of their revenues and margins. If this phenomenon continues or intensifies, it could seriously impair the financial position and outlook of the operators.</p> <p>Orange generates much of its revenues from mature countries and business activities where intense competition in the telecommunications sector could erode its profitability or its market share.</p> <p>Orange is relying on sources of growth in emerging markets in which the Company has invested. Investments already made may fail to bring the expected returns, and may even generate unexpected commitments and the Group could be faced with increased country risk. The Group's results and outlook could be impaired.</p> <p>The deteriorated state of the economy in France and in Europe could translate into a squeeze on consumption and have a significant impact on Orange's business and results.</p> <p><i>Risks related to the sector</i></p> <p>Technical failures or the saturation of the telecommunications networks, the technical infrastructures or IT system could reduce traffic, erode revenues and damage the reputation of the operators or the sector as a whole.</p> <p>Orange may be held liable for the loss, release, disclosure to third parties or inappropriate modification of customer data. Its liability may also be triggered or its reputation damaged by its Internet access and hosting services.</p> <p>The technical infrastructure belonging to telecommunications operators are vulnerable to damage or interruptions caused by natural disasters, fires, wars, acts of terrorism, intentional damage, malicious acts, or other similar events.</p> <p>The scope of Orange activities and the interconnection of the networks mean that the Group is highly exposed to the risk of fraud, which could reduce revenues and margins and damage its image.</p> <p>Exposure to electromagnetic fields from telecommunications equipment raises concerns for possible health adverse effects. Perceptions of this risk could worsen or a deleterious effect may one day be scientifically established, which would have negative consequences for the business and results of operators such as Orange.</p> <p><i>Risks relating to human resources</i></p> <p>If Orange does not manage to be sufficiently attractive compared to its competitors, to recruit in all countries when needed the qualified employees that will allow to develop its business, foster knowledge and ensure a sufficient continuity for ongoing projects within the Group, Orange's business activities and operating results could be materially</p>
-----	---	--

affected.

In 2009, France Telecom-Orange was faced with a major workforce crisis in France. Since 2010, the group has implemented an ambitious human resources program to respond to this crisis. However, the economic context could hinder the implementation of this program and thus have a material impact on the Group's image, operations, and results.

2 *Legal risks*

Orange operates in highly regulated markets, where its flexibility to manage its business is limited. Orange's business activities and results could be materially affected by legislative, regulatory or government policy changes.

Orange is continually involved in legal proceedings and disputes with regulatory authorities, competitors, or other parties. The outcome of such proceedings is generally uncertain and could have a material impact on its results or financial position.

The profitability of certain investments and Orange's strategy in certain countries could be affected by disagreements with its partners in companies that it does not control.

25% of Orange's capital is owned by the French public sector, which could, in practice, determine the outcome of votes at annual shareholders' meetings.

3 *Financial risks*

Liquidity risk

Orange's results and outlook may be adversely affected if access to capital markets remains difficult or worsens.

Interest rate risk

Orange's business activities could be adversely affected by interest rate fluctuations.

Credit-rating risks

If Orange's debt rating is downgraded, or placed under surveillance or its outlook is revised, by rating agencies, its borrowing costs could increase and in certain circumstances the company's access to the capital it needs could be limited (and thus have a material adverse effect on its results and financial position).

Credit risk and/or counterparty risk on financial transactions

The insolvency or deterioration in the financial position of a bank or other institution with which Orange has contractual relations may have a material adverse effect on the company.

Foreign exchange risk

Orange's results and cash position are exposed to exchange rate fluctuations.

Risk of asset impairment

Orange has recognized substantial amounts of goodwill as a result of acquisitions made since 1999. Under accounting standards, impairment losses have in the past and may again in the future be recorded against

		<p>goodwill and other assets in Orange's accounts, including those of Orange SA, which could reduce its ability to pay dividends. 5. SUPPLEMENTS

Following the publication of this Base Prospectus a supplement may be prepared by the Issuer and approved by the AMF in accordance with Article 16 of the Prospectus Directive. Statements contained in any such supplement (or contained in any document incorporated by reference therein) shall, to the extent applicable (whether expressly, by implication or otherwise), be deemed to modify or supersede statements contained in this Base Prospectus or in a document which is incorporated by reference in this Base Prospectus. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Base Prospectus.

The Issuer will, in the event of the emergence of any significant new factor, material mistake, omission or inaccuracy relating to the information included in this Base Prospectus which is capable of affecting the assessment of any Notes, prepare a supplement to this Base Prospectus or publish a new Base Prospectus for use in connection with any subsequent issue of the Notes.

6. FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a **Temporary Global Note**) or, if so specified in the applicable Final Terms, a permanent global note (a **Permanent Global Note**) which, in either case:

- if the Global Notes are intended to be issued in new global note (**NGN**) form, as stated in the applicable Final Terms, will be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**); and
- if the Global Notes are not intended to be issued in NGN form, may (a) in the case of a Tranche intended to be cleared through Euroclear and Clearstream, Luxembourg be deposited on the issue date with a common depositary (the **Common Depositary**) on behalf of Euroclear and Clearstream, Luxembourg, (b) in the case of a Tranche intended to be cleared through Euroclear France (and eligible with Euroclear and Clearstream, Luxembourg), be deposited on the issue date with Euroclear France acting as central depositary and (c) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear, Clearstream, Luxembourg or Euroclear France or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer.

Where the Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg, as indicated in the applicable Final Terms.

Upon the initial deposit of a Global Note with the Common Depositary or Common Safekeeper, as the case may be, the Common Depositary or the Common Safekeeper will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Upon the initial deposit of a Global Note with Euroclear France (where Euroclear France is acting as central depositary), the *intermédiaires financiers habilités* (French banks or brokers authorised to maintain securities accounts on behalf of their clients (each an "**Approved Intermediary**")) who are entitled to such Notes according to the records of Euroclear France will credit each subscriber with a principal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depositary (or Common Safekeeper, as the case may be) may also be credited to the accounts of subscribers with Approved Intermediaries or (if indicated in the applicable Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by Euroclear France or other clearing systems.

Whilst any Note is represented by a Temporary Global Note, payments of principal and interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg as applicable, has given a like certification (based on the certifications it has received) to the applicable Paying Agent (as defined below).

On and after the date (the **Exchange Date**) which is 40 calendar days after the date on which a Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Global Note without receipts, interest coupons or talons or (b) for Definitive Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Notes, to such notice period as is specified in the applicable Final Terms) in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note is improperly withheld or refused.

Payments of principal and interest (if any) on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification. The applicable Final Terms shall specify that either (i) a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Notes with, where applicable, receipts, interest coupons and talons attached upon not less than 60 calendar days' written

notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) to the applicable Paying Agent as described therein or (ii) a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event as described therein. **Exchange Event** means (i) an Event of Default (as defined in Condition 10 (*Events of Default*)) has occurred and is continuing; (ii) the Issuer has been notified that either Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available; or (iii) the Issuer has or will become obliged to pay additional amounts as provided for or referred to in Condition 7 (*Taxation*) which would not be required were the Notes represented by the Permanent Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 (*Notices*) if an Exchange Event occurs. In the event of the occurrence of any Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the applicable Paying Agent requesting exchange and in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the applicable Paying Agent requesting exchange. Any such exchange shall occur not later than 60 calendar days after the date of receipt of the first relevant notice by the applicable Paying Agent.

The following legend will appear on all Global Notes and Definitive Notes, which have an original maturity of more than 365 calendar days and on all receipts, interest coupons and talons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States Noteholders, with certain exceptions, will not be entitled to deduct any loss on Notes or receipts, interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes receipts, or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*"), the Paying Agent specified in the applicable Final Terms shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

A Note may be accelerated automatically by the holder thereof in certain circumstances described in Condition 10 (*Events of Default*). In such circumstances, where any Note is still represented by a Global Note and a holder of such Note so represented and credited to his securities account with Euroclear or Clearstream, Luxembourg gives notice that it wishes to accelerate such Note, unless within a period of seven calendar days from the giving of such notice payment has been made in full of the amount due in accordance with the terms of such Global Note, such Global Note will become void. At the same time, holders of interests in such Global Note credited to their accounts with Euroclear or Clearstream, Luxembourg will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and Clearstream, Luxembourg, on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 12 June 2015 executed by the Issuer.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to Euroclear France (save that, for the avoidance of doubt, Euroclear France shall not be appointed as Common Depositary or Common Safekeeper in respect of any Notes hereunder) and/or any additional or alternative clearing system to the extent specified in the applicable Final Terms or as may otherwise be approved by the Issuer and the applicable Paying Agent.

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions "**Fixed Interest Period**" means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form, where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation amount is multiplied to reach the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if "30/360" is specified in the applicable Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Terms and Conditions:

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on, the first Determination Date falling after, such date); and

sub-unit means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes and Index Linked Notes*

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no express Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Terms and Conditions, **Interest Period** shall mean the period from (and including) the immediately preceding Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls into the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition 4, **Business Day** means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
 - (B) in relation to any sum payable in Renminbi, a day on which commercial banks and foreign exchange markets settle payments in Renminbi in Hong Kong and in the relevant Business Centre(s) (if any); and
 - (C) either (1) in relation to sums payable in a Specified Currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland respectively); or (2) in relation to sums payable in euro, a day on which the Trans-European Automated Real Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open.
- (ii) Rate of Interest for Floating Rate Notes

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in (i) the relevant Final Terms, and (ii) the provisions below relating to either ISDA Determination or Screen Rate Determination, as specified in the relevant Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if that Calculation Agent were acting as calculation agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or on the Euro-zone inter-bank offered rate (**EURIBOR**) for a currency, the first day of that Interest Period.

In these Terms and Conditions, **Euro-zone** means the region comprised of member states of the European Union that accept the Single Currency in accordance with the Treaty.

For the purposes of this sub-paragraph (A), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If 5 or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations. If the Relevant Screen Page is not available or if in the case of subsection (1) above, no such offered quotation appears or, in the case of subsection (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph the Calculation Agent shall request the principal London office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (London time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, as at the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately 11.00 a.m. (London time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in the London inter-bank market (if the reference rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus

(as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

For the purposes of this sub-paragraph (B):

"Reference Banks" means, in the case of in the case of subsection (1) above, those banks whose offered rates were used to determine such quotation when such quotation last appeared on the Relevant Screen Page and, in the case of in the case of subsection (2) above, those banks whose offered quotations last appeared on the Relevant Screen Page when no fewer than three such offered quotations appeared.

(iii) Rate of Interest for Index Linked Notes:

1. TEC 10

Where TEC 10 is specified as the Index in the Final Terms, this Condition 4(b)(iii)(1) shall apply. In such case, the Rate of Interest for each Interest Period will, subject as provided below, be the offered quotation (expressed as a percentage rate per annum) for the EUR-TEC10-CNO calculated by the *Comité de Normalisation Obligataire* of the *Banque de France*, which appears on the Relevant Screen Page, being Reuters Screen BDFCNOTEC Page, as at 10.00 a.m. Paris time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

For information purposes only, the EUR-TEC10-CNO, established in April 1996, is the percentage yield (rounded to the nearest second decimal point, 0.005 per cent. being rounded upwards) of a notional 10 year French Treasury Bond (*Obligation Assimilable du Trésor*; "OAT") corresponding to the linear interpolation between the yield to maturity of the two actual OATs (the "Reference OATs") whose periods to maturity are closest in duration to the notional 10 year OAT, one Reference OAT's duration being of less than 10 years and the other Reference OAT's duration being greater than 10 years.

If, on any Interest Determination Date, such rate does not appear on Reuters Screen CNOTEC10 Page, EUR-TEC 10-CNO shall be determined by the Calculation Agent on the basis of the mid-Market prices for each of the two reference OAT, which would have been used by the *Comité de Normalisation Obligataire* for the calculation of EUR-TEC10-CNO, quoted by five *Spécialistes en Valeurs du Trésor* excluding Deutsche Bank at approximately 10:00 a.m. Paris time on the Interest Determination Date in question.

The Calculation Agent will request each *Spécialistes en Valeurs du Trésor* to provide a quotation of its price.

EUR-TEC10-CNO will be the redemption yield of the arithmetic mean of such quotations as determined by the Calculation Agent after discarding the highest and lowest such quotations. The above mentioned redemption yield shall be determined by the Calculation Agent in accordance with the formula that would have been used by the *Comité de Normalisation Obligataire* for the determination of EUR-TEC10-CNO.

2. Consumer Price Index (CPI)

Where the consumer price index excluding tobacco for all households in metropolitan France, as calculated and published by the *Institut National de la Statistique et des Etudes Economiques* (the "INSEE") ("CPI") is specified as the Index in the relevant Final Terms, this Condition 4(b)(iii)(2) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4(b)(iii)(2) shall apply.

The Rate of Interest in respect of Index Linked Notes indexed to the CPI (the "CPI Linked Interest") will be determined by the Calculation Agent on the following basis:

(A) On the fifth Business Day before each Interest Payment Date (an "Interest Determination Date") the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 4(b)(iii)(2), the "Inflation Index Ratio" or "IIR" is the ratio between (i) the CPI Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the CPI Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the "Base Reference"). The IIR will be rounded if necessary to five significant figures (with halves being rounded up).

"**CPI Daily Inflation Reference Index**" means (A) in relation to the first day of any given month, the CPI Monthly Reference Index of the third month preceding such month, and (B) in relation to a day (D) (other than the first day) in any given month (M), the linear interpolation of the CPI Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

CPI Daily Inflation Reference Index =

$$\text{CPI Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{CPI Monthly Reference Index}_{M-2} - \text{CPI Monthly Reference Index}_{M-3})$$

With:

"**ND_M**": number of days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

"**D**": actual day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

"**CPI Monthly Reference Index_{M-2}**": price index of month M - 2;

"**CPI Monthly Reference Index_{M-3}**": price index of month M - 3.

The CPI Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such CPI Daily Inflation Reference Index appears on the *Agence France Trésor* Reuters page OATINFLATION01 or on Bloomberg TRESOR <GO> pages and on the website www.aft.gouv.fr. In the case of uncertainty as to in the interpretation of the methods used to calculate the Inflation Index Ratio, such methods shall be interpreted by reference to the procedures selected by the French Treasury (*Trésor*) for its *obligations assimilables du Trésor indexées sur l'inflation*.

"**CPI Monthly Reference Index**" refers to the definitive consumer price index excluding tobacco for all households in metropolitan France, as calculated and published monthly by the INSEE as such index may be adjusted or replaced from time to time as provided herein.

- (B) The calculation method described below is based on the recommendation issued by the French Bond Association (*Comité de Normalisation Obligataire* – www.cnofrance.org) in its December 2010 Paper entitled "Inflation Indexed Notes" (*Obligations et autres instruments de taux d'intérêt en euro, Normes et usages des marchés de capitaux – Chapitre II: Les obligations indexées sur l'inflation*). In the case of any conflict between the calculation method provided below and the calculation method provided by the Bond Association (*Comité de Normalisation Obligataire*), the calculation method provided by the Bond Association (*Comité de Normalisation Obligataire*) shall prevail.

The CPI Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

- (C)
- (1) If the CPI Monthly Reference Index is not published in a timely manner, a substitute CPI Monthly Reference Index (the "**Substitute CPI Monthly Reference Index**") shall be determined by the Calculation Agent in accordance with the following provisions:
- (x) If a provisional CPI Monthly Reference Index (*indice provisoire*) has already been published, such index shall automatically be used as the Substitute CPI Monthly Reference Index. Such provisional CPI Monthly Reference Index would be published under the heading "*indice de substitution*". Once the definitive CPI Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.

- (y) If no provisional CPI Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute CPI Monthly Reference Index_M=

$$\text{CPI Monthly Reference Index}_{M-1} \times \left[\frac{\text{CPI Monthly Reference Index}_{M-1}}{\text{CPI Monthly Reference Index}_{M-13}} \right]^{\frac{1}{12}}$$

- (2) In the event INSEE decides to proceed with one or more base changes for the purpose of calculating the CPI Monthly Reference Index, the two CPI Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December CPI Monthly Reference Index of the last year of joint publications, which corresponds to the CPI Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{CPI Monthly Reference Index}_{\text{Date D New Basis}} = \text{CPI Monthly Reference Index}_{\text{Date D Previous Basis}} \times \text{Key}$$

3. Harmonised Index of Consumer Prices (HICP)

(I) OPTION 1

Where the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat (the "**HICP - OPTION 1**") is specified as the Index in the relevant Final Terms, this Condition 4(b)(iii)(3)(I) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4(b)(iii)(3)(I) shall apply.

The Rate of Interest in respect of Index Linked Notes indexed to the HICP (the "**HICP Linked Interest**") will be determined by the Calculation Agent on the following basis:

- (A) On the fifth Business Day before each Interest Payment Date (an "**Interest Determination Date**") the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 4(b)(iii)(3)(I), the "**Inflation Index Ratio**" or "**IIR**" is the ratio between (i) the HICP Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the HICP Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the "**Base Reference**"). The IIR will be rounded if necessary to five significant figures (with halves being rounded up).

"**HICP Daily Inflation Reference Index**" means (A) in relation to the first day of any given month, the HICP Monthly Reference Index of the third month preceding such month, and (B) in relation to a day (D) (other than the first day) in any given month (M), the linear interpolation of the HICP Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

HICP Daily Inflation Reference Index =

$$\text{HICP Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{HICP Monthly Reference Index}_{M-2} - \text{HICP Monthly Reference Index}_{M-3})$$

With:

"**ND_M**:" number of days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

"D": actual day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

"HICP Monthly Reference Index $M-2$ ": price index of month M - 2;

"HICP Monthly Reference Index $M-3$ ": price index of month M - 3.

The, the HICP Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such HICP Daily Inflation Reference Index appears on the *Agence France Trésor* Reuters page OATEI01, on the website www.aft.gouv.fr and on Bloomberg page TRESOR.

"HICP Monthly Reference Index" refers to the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published by Eurostat as such index may be adjusted or replaced from time to time as provided herein.

(B) The HICP Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

(C)

(1) If the HICP Monthly Reference Index is not published in a timely manner, a substitute HICP Monthly Reference Index (the "**Substitute HICP Monthly Reference Index**") shall be determined by the Calculation Agent in accordance with the following provisions:

(x) If a provisional HICP Monthly Reference Index has already been published by Eurostat, such index shall automatically be used as the Substitute HICP Monthly Reference Index. Once the definitive HICP Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.

(y) If no provisional HICP Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute HICP Monthly Reference Index $_M$ =

$$\text{HICP Monthly Reference Index}_{M-1} \times \left[\frac{\text{HICP Monthly Reference Index}_{M-1}}{\text{HICP Monthly Reference Index}_{M-13}} \right]^{\frac{1}{12}}$$

(2) In the event Eurostat decides to proceed with one or more base changes for the purpose of calculating the HICP Monthly Reference Index, the two HICP Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December HICP Monthly Reference Index of the last year of joint publications, which corresponds to the HICP Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{HICP Monthly Reference Index}_{\text{Date D New Basis}} = \text{HICP Monthly Reference Index}_{\text{Date D Previous Basis}} \times \text{Key}$$

(II) OPTION 2

Where the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat (the "HICP - OPTION 2") is specified as the Index in the relevant Final Terms, this Condition 4(b)(iii)(3)(II) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4(b)(iii)(3)(II) shall apply.

(A) Calculation of Rate of Interest

The Rate of Interest applicable in respect of each Interest Period will be a rate, expressed as a percentage (rounded, if applicable, to the nearest fifth decimal place, 0.000005 being rounded upwards) determined by the Calculation Agent on the relevant Interest Determination Date in accordance with the following formula:

$$3.00\% \times \text{Inflation Index Ratio}$$

where,

"**Base Daily Inflation Reference**" means the Daily Inflation Reference as determined by the Calculation Agent in respect of 04 June 2008 (being 108.524);

"**Business Day**" means a day on which the TARGET System is operating;

"**Daily Inflation Reference**" means, in respect of any date, the value of the Index for such date as determined by the Calculation Agent on the relevant Index Determination Date in accordance with the provisions for the calculation of the Daily Inflation Reference as set out in paragraph 3 below and appearing on Reuters page "OATEI01" or on Bloomberg page "TRES3" or such replacement page as selected by the Calculation Agent;

"**Eurostat**" means the statistical office of the European Communities in Luxembourg;

"**Index**" means, subject to the provisions of paragraph 4 below, the Harmonised Index of Consumer Prices (**HICP**) excluding tobacco, for the Euro zone as calculated by Eurostat;

"**Index Determination Date**" means, in respect of any date for which the Daily Inflation Reference is required to be determined, the fifth Business Day prior to such date;

"**Inflation Index Ratio**" means the ratio between (i) the Daily Inflation Reference in respect of the relevant Interest Payment Date, Maturity Date or Early Redemption Date, as the case may be, and (ii) the Base Daily Inflation Reference. The Inflation Index Ratio will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards;

"**Interest Determination Date**" means the fifth Business Day prior to the relevant Interest Payment Date.

For the avoidance of doubt, interest on overdue amounts in respect of the Notes (after the Maturity Date or, as the case may be, the relevant Early Redemption Date) shall accrue at a rate per annum equal to a rate per annum calculated by the Calculation Agent on the basis, *mutatis mutandis*, of the provisions of this paragraph 2 and Condition 4(e) except that, for such purposes, the relevant Interest Determination Date shall be deemed to be the fifth Business Day prior to the Relevant Date.

(B) Calculation of Daily Inflation Reference

The Daily Inflation Reference ("**Id**") for day d of month m is the linear interpolation of the Index in respect of months m-3 and m-2, expressed relatively to the same basis of 100 (or such other revised basis as may be adopted from time to time by Eurostat).

Hence:

$$I_d = HICP_{m-3} \frac{nb d}{q_m} + x (HICP_{m-2} - HICP_{m-3})$$

where:

HICP_{m-2}: Consumer Price Index for month m-2

HICP_{m-3}: Consumer Price Index for month m-3

nbd: Actual number of days between date d (included) and the first day of month m (excluded);

and

q_m: Actual number of days in month m.

(C) Fall-back provisions

Change in the Sponsor of the Index

If the Index is not calculated and/or disseminated by Eurostat, but is calculated and/or disseminated by another relevant authority approved by the European Union (the "**New Sponsor**"), then the Index as so calculated and/or disseminated by the New Sponsor shall be used for the purpose of calculating (i) the relevant Rate of Interest and/or (ii) the Final Redemption Amount or, as the case may be, the Early Redemption Amount, in respect of the Notes.

Successor Index

If the Index is replaced by a successor index using the same or a substantially similar formula and method of calculation as used in the calculation of the Index and such successor index is reasonably acceptable to the Calculation Agent, the relevant Index for the purpose of calculating (i) the applicable Rate of Interest and/or (ii) the Final Redemption Amount or, as the case may be, the Early Redemption Amount, in respect of the Notes, shall be the successor index (the "**Successor Index**").

Substitute Index

If the Index is not published for a given month, for any reason, or ceases to be published, for any reason, the Calculation Agent shall, for any month where the Index is not published, either find a Successor Index or determine, in consultation with the Issuer, a substitute index (the "**Substitute Index**"), such substitute index comprising as far as practicable the same components as the Index, which shall be adopted for the Notes.

Changes in calculation method or basis of the Index

In the event that Eurostat or, as the case may be, any New Sponsor changes the base of the Index at any time while any of the Notes are still outstanding, then for the purpose of calculating (i) the relevant Rate of Interest and/or (ii) the Final Redemption Amount, or, as the case may be, the Early Redemption Amount, in respect of the Notes, the value of the Index following such change in base shall be determined in accordance with the methodology published by Eurostat or, as the case may be, the relevant New Sponsor following such change. In the event that no such methodology is published, then the Calculation Agent shall make such calculation as it, in its reasonable discretion, deems appropriate to determine the relevant Index.

4. The United States Consumer Price Index (US CPI)

Where the United States Consumer Price Index ("**US CPI**") is specified as the Index in the relevant Final Terms, this Condition 4(b)(iii)(4) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4(b)(iii)(4) shall apply.

The US CPI is the non-seasonally adjusted U.S. City Average All Items Consumer Price Index for All Urban Consumers, reported monthly by the Bureau of Labor Statistics of the U.S. Labor Department (the "**BLS**") and published on Bloomberg page "CPURNSA" or any successor source. The US CPI for a particular month is published during the following month.

The US CPI is a measure of the average change in consumer prices over time for a fixed market basket of goods and services, including food, clothing, shelter, fuels, transportation, charges for doctors' and dentists' services and drugs. In calculating the index, price changes for the various items are averaged together with weights that represent their importance in the spending of urban households in the United States. The contents of the market basket of goods and services and the weights assigned to the various items are updated periodically by the BLS to take into account changes in consumer expenditure patterns. The US CPI is expressed in relative terms in relation to a time base reference period for which the level is set at 100.0. The base reference period for Notes paying interest based on the US CPI is the 1982-1984 average.

The Rate of Interest in respect of Index Linked Notes indexed to the US CPI (the US CPI Linked Interest) will be determined by the Calculation Agent on the following basis.

The relevant Notes will pay a rate per annum linked to the Change in the US CPI plus, if applicable, an additional amount of interest (referred to as the "**spread**") or multiplied by a number (referred to as the "**multiplier**"), as either may be specified in the relevant Final Terms; provided that, unless otherwise specified in the relevant Final Terms, the applicable Rate of Interest for Notes paying interest based on the US CPI will also be subject to a Minimum Rate of Interest equal to 0.00% *per annum*.

Unless otherwise specified in the relevant Final Terms, the "**Change in the US CPI**" for a particular interval will be calculated as follows:

$$\frac{\text{CPI}(t) - \text{CPI}(t-x)}{\text{CPI}(t-x)}$$

where:

"CPI(t)" for any Determination Date is the level of the US CPI for a calendar month (the "**reference month**" which shall be specified in the relevant Final Terms) prior to the calendar month in which the applicable Determination Date falls; and

"CPI(t-x)" for any Determination Date is the level of the US CPI for a calendar month prior to the applicable reference month, as specified in the relevant Final Terms.

If by 3:00 p.m. New York City time on any Determination Date the US CPI is not published on Bloomberg "CPURNSA" for any relevant month, but has otherwise been reported by the BLS, then the Calculation Agent will determine the US CPI as reported by the BLS for such month using such other source as, on its face, after consultation with the Issuer, appears to accurately set forth the US CPI as reported by the BLS.

In calculating CPI(t) and CPI(t-x), the Calculation Agent will use the most recently available value of the US CPI determined as described above on the applicable Determination Date, even if such value has been adjusted from a previously reported value for the relevant month. However, if a value of CPI(t) or CPI(t-x) used by the Calculation Agent on any Determination Date to determine the interest rate on a Series of Notes is subsequently revised by the BLS, the interest rate for such Series of Notes determined on such Determination Date will not be revised.

If the US CPI is rebased to a different year or period and the 1982-1984 US CPI is no longer used, the base reference period for Notes paying interest based on the US CPI will continue to be the 1982-1984 reference period as long as the 1982-1984 US CPI continues to be published by the BLS.

If, while any Series of Notes paying interest based on the US CPI is outstanding, the US CPI is discontinued or is substantially altered, as determined in the sole discretion of the Calculation Agent, acting in good faith and in a commercially reasonable manner, the successor index for such Series of Notes will be that index chosen by the Secretary of the Treasury to replace the US CPI for the purpose of calculating payments on the Department of the Treasury's Inflation-Linked Treasuries as described at 62 Federal Register 846-874 (6 January 1997) or, if no such securities are outstanding, the successor index will be determined by the Calculation Agent acting in good faith and in a commercially reasonable manner.

In addition, for the purposes of Notes paying interest based on the US CPI, unless otherwise specified in the relevant Final Terms:

"**Determination Date**" shall mean two business days in New York immediately prior to the beginning of the applicable Interest Period, or as specified in the relevant Final Terms (but not more than 28 calendar days prior to the beginning of the applicable Interest Period).

"**Interest Period**" shall mean, in respect of any Series of Notes paying interest based on the US CPI, the period beginning on and including the Issue Date of such Series of Notes and ending on but excluding the first Interest Payment Date, and each successive period beginning on and including a Interest Payment Date and ending on but excluding the next succeeding Interest Payment Date, or such other period as specified in the relevant Final Terms.

"**Interest Payment Date**" shall be the Interest Payment Date specified in the relevant Final Terms.

(iv) Minimum and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. Unless otherwise stated in the relevant Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(v) Determination of Rate of Interest and Calculation of Interest Amounts

The Calculation Agent will at, or as soon as practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Notes, the Calculation Agent will notify the applicable Paying Agent of the Rate of Interest for the relevant Interest Period as soon as possible after calculating the same.

The applicable Calculation Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes or Index Linked Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or Index Linked Notes in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding. **Day Count Fraction** means, in respect of the calculation of an amount of interest in respect of this Condition 4(b):

- (A) if "Actual/Actual(ISDA)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365, or, in the case of an Interest Payment Date falling in a leap year, 366;
- (D) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (E) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number is 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (F) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number is 31, in which case D₂ will be 30; and

- (G) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number is 31, in which case D₂ will be 30.

(vi) Notification of Rate of Interest and Interest Amounts

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the Issuer and to each stock exchange on which the relevant Floating Rate Notes or Index Linked Notes are for the time being listed and to the Noteholders in accordance with Condition 14 (*Notices*). For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vii) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Calculation Agent or, if applicable, the Paying Agent specified in the applicable Final Terms, shall (in the absence of wilful default, bad faith or manifest or proven error) be binding on the Issuer, the relevant Paying Agent, the Calculation Agent (if applicable), any other Paying Agent and all Noteholders, Receipholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, Receipholders or the Couponholders shall attach to the Calculation Agent or (if applicable) the relevant Paying Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note, as described in Condition 6(f)(iii).

(d) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) 5 calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Paying Agent specified in the applicable Final Terms and notice to that effect has been given to the Noteholders in accordance with Condition 14 (*Notices*).

(e) *RMB Notes*

Notwithstanding the foregoing, each RMB Note which is a Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate per annum equal to the Rate of Interest. For the purposes of calculating the amount of interest, if any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which case it shall be brought forward to the immediately preceding Business Day. Interest will be payable in arrear on each Interest Payment Date.

The Calculation Agent will, as soon as practicable after 11.00 a.m. (Hong Kong time) on each Interest Determination Date, calculate the amount of interest payable per Specified Denomination for the relevant Interest Period. The determination of the amount of interest payable per Specified Denomination by the Calculation Agent shall (in the absence of manifest error and after confirmation by the Issuer) be final and binding upon all parties.

The Calculation Agent will cause the amount of interest payable per Specified Denomination for each Interest Period and the relevant Interest Payment Date to be notified to each of the Paying Agents and to be notified to Noteholders as soon as possible after their determination but in no event later than the fourth (4th) Business Day thereafter. The amount of interest payable per Specified Denomination and Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without

notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10 (*Events of Default*), the accrued interest per Specified Denomination shall nevertheless continue to be calculated as previously by the Calculation Agent in accordance with this provision but no publication of the amount of interest payable per Specified Denomination so calculated need be made.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the Specified Denomination, multiplying such product by the actual number of days in the relevant Interest Period or, as applicable, other period concerned and dividing it by 365, and rounding the resultant figure to the nearest Renminbi sub-unit, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Conditions:

RMB Note means a Note denominated in Renminbi.

5. Payments

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euros or U.S. dollars will be made by transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or at the option of the payee by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland respectively);
- (ii) payments in euros will be made by credit or transfer to a euro account (or any other account to which euros may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; and
- (iii) payments in U.S. dollars will be made by transfer to a U.S. dollar account maintained by the payee with a bank outside the United States (which expression, as used in this Condition 5, means the United States of America, including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction), or by cheque drawn on a United States bank.

In no event will payment be made by a cheque mailed to an address in the United States or by transfer to an account maintained by the payee with a bank located in the United States.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 (*Taxation*). References to "**Specified Currency**" will include any successor currency under applicable law.

(b) *Presentation of Definitive Notes, Receipts and Coupons*

Payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Notes, and payments of interest (if any) in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Payments of instalments of principal (if any) in respect of Definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof. Fixed Rate Notes in definitive form (other than Index Linked Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons

falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the related missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9 (*Prescription*)) or, if later, 5 years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Notwithstanding the provisions of the previous paragraph, if any such Fixed Rate Notes in definitive form should be issued on terms such that, on the presentation for payment of any such Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required by this paragraph to be deducted would be greater than the Early Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of this paragraph in respect of such Coupons as have not so become void, the amount required by this paragraph to be deducted would not be greater than the Early Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Note to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unexchanged or unmatured Talons (if any) appertaining thereto (whether or not attached) will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Index Linked Note in definitive form becomes due and repayable, unmatured Coupons (if any) and unexchanged or unmatured Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Note is not a Fixed Interest Date or an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Fixed Interest Date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Notes and otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable and such record shall be *prima facie* evidence that the payment in question has been made.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

(d) *General provisions applicable to payments*

Notwithstanding the foregoing, if any amount of principal and/or interest in respect of this Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Note will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place of presentation and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation (if presentation is required); and
 - (B) any Additional Business Centre specified in the applicable Final Terms;
- (ii) a Business Day (as defined in Condition 4(b)(i)); and
- (iii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian Dollars or New Zealand dollars shall be Sydney or Auckland respectively); or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(f) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 (*Taxation*);
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(f)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts (other than interest) which may be payable with respect to interest under Condition 7 (*Taxation*).

(g) *Payment of US Dollar Equivalent*

Notwithstanding any other provision in these Conditions, if an Inconvertibility, Non-Transferability or Illiquidity occurs and, as such, the Issuer is not able or it would be impracticable for it, after confirmation of such unavailability by a Renminbi Dealer, to satisfy payments of principal or interest (in whole or in part) in respect of RMB Notes, the Issuer on giving not less than five (5) nor more than thirty (30) calendar days irrevocable notice to the Noteholders prior to the due date for payment, may settle any such payment (in whole or in part) in US dollars on the due date at the US Dollar Equivalent of any such Renminbi denominated amount.

In such event, payments of the US Dollar Equivalent of the relevant principal or interest in respect of the Notes shall be made by transfer to the U.S. dollar account of the relevant Account Holders for the benefit of the

Noteholders. For the avoidance of doubt, no such payment of the US Dollar Equivalent shall by itself constitute a default in payment within the meaning of Condition 10 (*Events of Default*).

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5(g) by the RMB Rate Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Paying Agents and all Noteholders.

In these Conditions:

Governmental Authority means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong.

Illiquidity means that the general Renminbi exchange market in Hong Kong becomes illiquid, other than as a result of an event of Inconvertibility or Non-Transferability, as determined by the Issuer in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers.

Inconvertibility means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of RMB Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

Non-Transferability means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong or from an account outside Hong Kong to an account inside Hong Kong (including where the Renminbi clearing and settlement system for participating banks in Hong Kong is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

PRC means the People's Republic of China.

Renminbi Dealer means an independent foreign exchange dealer of international reputation active in the Renminbi exchange market in Hong Kong reasonably selected by the Issuer.

RMB Rate Calculation Agent means the agent appointed from time to time by the Issuer for the determination of the RMB Spot Rate and identified as such in the relevant Final Terms.

RMB Rate Calculation Business Day means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong and in New York City.

RMB Rate Calculation Date means the day which is two RMB Rate Calculation Business Days before the due date for payment of the relevant Renminbi amount under the Conditions.

RMB Spot Rate for a RMB Rate Calculation Date means the spot RMB/US dollar exchange rate for the purchase of US dollars with RMB in the over-the-counter RMB exchange market in Hong Kong for settlement on the relevant due date for payment, as determined by the RMB Rate Calculation Agent at or around 11 a.m. (Hong Kong time) on such RMB Rate Calculation Date, on a deliverable basis by reference to Reuters Screen Page TRADNDF. If such rate is not available, the RMB Rate Calculation Agent will determine the RMB Spot Rate at or around 11 a.m. (Hong Kong time) on the RMB Rate Calculation Date as the most recently available RMB/U.S. dollar official fixing rate for settlement on the relevant due date for payment reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

US Dollar Equivalent means the relevant Renminbi amount converted into US dollars using the RMB Spot Rate for the relevant RMB Rate Calculation Date, as calculated by the RMB Rate Calculation Agent.

6. Redemption and Purchase

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for Tax Reasons*

(i) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at a price equal to 100% of the principal amount (together with accrued interest to and including the date fixed for redemption) at any time (if this Note is neither a Floating Rate Note nor an Index Linked Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Note), on giving not less than 30 nor more than 60 calendar days' notice to the Paying Agent specified in the applicable Final Terms and, in accordance with Condition 14 (*Notices*), the Noteholders (which notice shall be irrevocable), if:

(x) on the occasion of the next payment due under the Notes, the Issuer (i) has or will become obliged to pay additional amounts as provided or referred to in Condition 7 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the Republic of France or any political subdivision or any authority in, or of, the Republic of France, having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date upon which agreement is reached to issue the first Tranche of the Notes, or (ii) has suffered or will suffer a significant non-deductibility of interest and other revenues because any Noteholder is located or payments are made in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (*Code général des impôts*); and

(y) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

(f) *Redemption of Index Linked Notes*

(i) Inflation Linked Notes (excluding HICP - OPTION 2)

If so specified in the relevant Final Terms, the Final Redemption Amount in respect of Index Linked Notes which are Inflation Linked (but excluding those which are designated "HICP - OPTION 2" in the relevant Final Terms) will be determined by the Calculation Agent on the following basis:

Final Redemption Amount = IIR x nominal amount of the Notes

"IIR" being for the purpose of this Condition 6(f) the ratio determined on the fifth Business Day before the Maturity Date between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index on the Maturity Date and the Base Reference on the date specified in the Final Terms, (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index on the Maturity Date and the Base Reference on the date specified in the Final Terms or (iii) if the US CPI is specified as an Index applicable in the Final Terms, the Change in CPI, but where for these purposes, unless otherwise specified in the relevant Final Terms, the reference to CPI Determination Date in CPI(t) shall be interpreted as the date falling two Business Days prior to the Maturity Date, at the reference to CPI Determination Date in CPI(t-x) shall be interpreted to be the date falling two Business Days prior to the Issue Date.

If the Final Redemption Amount calculated as set out above is below par, the Notes shall be redeemed as par.

(ii) Inflation Linked Notes (HICP - OPTION 2)

If so specified in the relevant Final Terms, the Final Redemption Amount in respect of Index Linked Notes which are Inflation Linked Notes (and which are designated "HICP - OPTION 2" in the relevant Final Terms) will be determined by the Calculation Agent on the following basis.

The Final Redemption Amount payable in respect of each Specified Denomination on the Maturity Date will be an amount equal to the greater of (i) the nominal amount of each Specified Denomination and (ii) an amount in euro (rounded, if applicable, to the nearest fifth decimal place, 0.000005 being rounded upwards) determined by the Calculation Agent in accordance with the following formula:

Specified Denomination x Redemption Date Inflation Index Ratio

where,

"Redemption Date Inflation Index Ratio" means the Inflation Index Ratio (as defined in Condition 4(b)(iii)(3)(II)) as determined in respect of the Maturity Date.

(g) *Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 10 (*Events of Default*), the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes (other than Zero Coupon Notes, but including Instalment Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount;
- (iii) in the case of Zero Coupon Notes, at an amount (the Amortised Face Amount) equal to the sum of:
 - (A) the Reference Price specified in the Final Terms; and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each and in the case of an incomplete month the actual number of days elapsed; or

- (iv) in the case of Index Linked Notes which are Inflation Linked (but excluding those which are designated "HICP - OPTION 2" in the relevant Final Terms), if the relevant Final Terms provides that Condition 6(g)(iv) shall apply, the Early Redemption Amount upon redemption of such Notes pursuant to Condition 6(b) or upon it becoming due and payable as provided in Condition 10, the Put Amount, the Optional Redemption Amount in respect of such Notes will be determined by the Calculation Agent on the following basis:

Early Redemption Amount/Put Amount = IIR x nominal amount of the Notes

"IIR" being for the purpose of this Condition 6(g)(iv) the ratio determined on the fifth Business Day before the Maturity Date between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index on the Maturity Date and the Base Reference on the date specified in the Final Terms, (ii) if the HICP is specified as the Index applicable the Final Terms, the HICP Daily Inflation Reference Index on the Maturity Date and the Base Reference on the date specified in the Final Terms or (iii) if the US CPI is specified as an Index applicable in the Final Terms, the Change in CPI, but where for these purposes, unless otherwise specified in the relevant Final Terms, the reference to CPI Determination Date in CPI(t) shall be interpreted as the date falling two Business Days prior to the Maturity Date, at the reference to CPI Determination Date in CPI(t-x) shall be interpreted to be the date falling two Business Days prior to the Issue Date.

If the Early Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

If the Notes (whether or not Condition 5(f) applies) fall to be redeemed for whatever reason before the Maturity Date, the Issuer will pay the Early Redemption Amount together with interest accrued to the date set for redemption. Such accrued interest will be calculated by the Calculation Agent in respect of the period from, and including the immediately preceding Interest Payment Date or, as the case may be, the Interest Commencement Date to, but excluding, the date set for redemption of such Notes at a rate per annum on the basis of the provisions of Condition 4(b)(iii)(3)(I) above except that, for such purposes the relevant Interest Determination Date shall be the fifth Business Day prior to the relevant Early Redemption Date; or

- (v) in the case of Index Linked Notes which are Inflation Linked which are designated "HICP - OPTION 2" in the relevant Final Terms, if the relevant Final Terms provides that Condition 6(g)(v) shall apply, the Early Redemption Amount in respect of such Index Linked Notes will be determined by the Calculation Agent on the following basis.

The Early Redemption Amount payable in respect of each Specified Denomination on the Maturity Date will be an amount equal to the greater of (i) the nominal amount of each Specified Denomination and (ii) an amount in euro (rounded, if applicable, to the nearest fifth decimal place, 0.000005 being rounded upwards) determined by the Calculation Agent in accordance with the following formula:

Specified Denomination x Redemption Date Inflation Index Ratio

where,

"Redemption Date Inflation Index Ratio" means the Inflation Index Ratio (as defined in Condition 4(b)(iii)(3)(II)) as determined in respect of the Early Redemption Date.

For the avoidance of doubt, for the purposes of the provisions of Condition 4(b)(i), if the Notes fall to be redeemed for whatever reason before the Maturity Date, accrued interest on the Notes, if any, will be calculated by the Calculation Agent in respect of the period from, and including, the immediately preceding Interest Payment Date or, as the case may be, the Interest Commencement Date to, but excluding, the Early Redemption Date at a rate per annum equal to a rate per annum calculated by the Calculation Agent on the basis, *mutatis mutandis*, of the provisions of Condition 4(b)(iii)(3)(II) except that, for such purposes, the relevant Interest Determination Date shall be the fifth Business Day prior to the relevant Early Redemption Date.

In these Conditions:

"Inflation Linked" means any Index Linked Notes the payment of interest and/or principal in respect of which is calculated by reference to the CPI, the HICP or the US CPI, as applicable.

(h) *Instalments*

(j) *Cancellation or holding by the Issuer*

All Notes which are redeemed or purchased by the Issuer may be cancelled or held (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption) in accordance with applicable laws and regulations. All Notes so cancelled (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Paying Agent specified in the applicable Final Terms and cannot be reissued or resold.

(k) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c), (d) or (e) above or upon its becoming due and repayable as provided in Condition 10 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) 5 calendar days after the date on which the full amount of the moneys payable has been received by the Paying Agent specified in the applicable Final Terms and notice to that effect has been given to the Noteholders in accordance with Condition 14 (*Notices*).

7. Taxation

(a) *Tax Exemption*

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) *Additional Amounts*

If French law should require that any payments in respect of the Notes, Receipts or Coupons be subject to deduction or withholding with respect to any present or future taxes, duties, assessments or other governmental charges whatsoever imposed or levied by or on behalf of France or any political subdivision of, or any authority therein or thereof having power to tax, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such deduction or withholding shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder (including a beneficial owner (ayant droit)) who is liable for such taxes, duties, assessments or other governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with France other than the mere holding of (or beneficial ownership with respect to) such Note, Receipt or Coupon; or
- (ii) presented for payment for, or on behalf of a Noteholder (including a beneficial owner (ayant droit)) that is established or domiciled in a non-cooperative State or territory within the meaning of Article 238-0 A of the French General Tax Code (Code général des impôts) (a "**Non-cooperative State**") or which would

have been able to avoid such taxes by receiving payments under such Note in a bank account opened in a financial institution that is not located in any Non-cooperative State; or

- (iii) where such withholding or deduction is imposed on a payment to an individual or an entity and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council meeting on 26 and 27 November 2000 or any subsequent meeting of the ECOFIN Council on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder, as the case may be, who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (v) presented for payment more than 30 calendar days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5(e)).

As used herein, the **Relevant Date** in relation to any Note means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Paying Agent specified in the applicable Final Terms on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14 (*Notices*).

Any reference in these Terms and Conditions to principal or interest or both in respect of the Notes shall be deemed to include (i) a reference to any additional amounts which may be payable under this Condition 7; (ii) in relation to Zero Coupon Notes, the Amortised Face Amount; (iii) in relation to Index Linked Notes, the Interest Amounts, Redemption Amounts or Early Redemption Amounts (iv) in relation to Instalment Notes, the Instalment Amount; and (v) any premium and any other amounts which may be payable in respect of the Notes.

For the purposes of this Condition 8, **Business Day** means a day on which commercial banks and foreign exchange markets settle payment in London and Paris.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 9 or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

10. Events of Default

If any one or more of the following events (each an **Event of Default**) shall occur, the holder of any Note may give notice to the Issuer that the Note is, and it shall accordingly forthwith become, immediately due and payable at its principal amount, together with interest accrued to the date of repayment, in any of the following events:

- (a) if default is made by the Issuer in the payment of any principal or interest due in respect of the Notes or any of them and, with respect to any interest due, the default continues for a period of 15 calendar days

immediately following the service by any Noteholder on the Issuer of notice requiring the same to be remedied; or

- (b) if the Issuer fails to perform or observe any of its other obligations under these Terms and Conditions and (except in any case where the failure is incapable of remedy when no continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 calendar days next following the service by any Noteholder on the Issuer of notice requiring the same to be remedied; or
- (c) prior to redemption in full of the Notes, the Issuer or any Principal Subsidiary is dissolved, wound up or reorganised (either by court order or otherwise) or merges, consolidates, amalgamates with any company unless the successor corporation assumes all of the Issuer's obligations in respect of the Notes and the creditworthiness of such successor company is not materially weaker than that of the Issuer prior to such merger, consolidation or amalgamation; or

- (h) it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under the Notes.

For the purposes of this Condition 10, Principal Subsidiary shall mean any Subsidiary at any relevant time of the Issuer:

- (i) whose total assets or operating income (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated assets or consolidated operating income, as the case may be) attributable to the Issuer represent not less than 15 per cent. of the total consolidated assets or consolidated operating income of the Issuer, all as calculated by reference to the then latest audited accounts (or consolidated accounts, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its consolidated subsidiaries; or

in each case, as such Paying Agent shall be identified in the applicable Final Terms.

13. Exchange of Talons

On and after the Fixed Interest Date or the Interest Payment Date, as appropriate, on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Paying Agent specified in the applicable Final Terms in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9 (*Prescription*).

14. Notices

All notices regarding the Notes shall be deemed to be validly given if published (i) in a leading English language daily newspaper of general circulation in London (which is expected to be the *Financial Times*); and (ii) if and for so long as the Notes are admitted to trading on Euronext Paris, and for so long as Euronext Paris rules so require, either a daily newspaper of general circulation in France (which is expected to be *Les Echos*) or on the website of the Issuer (www.orange.com). The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where published in more than one newspaper or website, on the date of the first publication in each such newspaper or website.

Except if the Notes are listed and/or admitted to trading on any stock exchange and the rules applicable to such stock exchange require otherwise, until such time as any Definitive Notes are issued, and so long as the Global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, such publication in such newspaper(s) may be substituted by the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the related Note or Notes, with the Paying Agent specified in the applicable Final Terms. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the applicable Paying Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as that Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. Meetings of Noteholders, Modification and Waiver

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders holding not less than 5 per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes the Receipts, or Coupons (including (i) modifying the date of maturity of the Notes or any date for payment of interest thereof, (ii) reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes, (iii) varying the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or Maximum Rate of Interest, Instalment or Redemption Amount is applicable, reducing any such Minimum and/or Maximum, (v) varying any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Early Redemption Amount, (vi) altering the currency of payment of the Notes, the Receipts or Coupons, (vii) taking any steps that may only be taken following approval by an Extraordinary Resolution to which special quorum provisions apply or, (viii) modifying the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution) the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

Each of the Paying Agents and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

16. Further Issues and Consolidation

16.1 Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes. For the purposes of French law, such further Notes will be assimilated (*assimilables*) to the Notes as regards their financial service provided that the terms of such further Notes provide for such assimilation.

16.2 Consolidation

The Issuer may from time to time on giving at least 30 calendar days' prior notice to the Noteholders in accordance with Condition 14 (*Notices*), without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in euro, provided such other Notes have been redenominated in euro (if not originally denominated in euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

17. Redenomination

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Paying Agent specified in the applicable Final Terms, Euroclear and Clearstream, Luxembourg and at least 30 calendar days' prior notice to the Noteholders in accordance with Condition 14 (*Notices*), elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a principal amount for each Note and Receipt equal to the principal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the applicable Paying Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the applicable Paying Agent of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate principal amount of Notes held (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the applicable Paying Agent may approve) euro 0.01 and such other denominations as that Paying Agent shall determine and notify to the Noteholders;

- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Paying Agent specified in the applicable Final Terms may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 calendar days prior to any date for payment of principal or interest on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on a Fixed Interest Date, it will be calculated:
- (i) in the case of the Notes represented by a global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such global Note; and
- (ii) in the case of Definitive Notes, by applying the Rate of Interest to the Calculation Amount,
- and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;
- (g) if the Notes are Floating Rate Notes or Index Linked Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (h) such other changes shall be made to these Conditions as the Issuer may decide, after consultation with the Paying Agents, and as may be specified in the notice, to conform them to conventions then applicable to instruments denominated in euro.

Established Rate means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Union regulations) into euro established by the Council of the European Union pursuant to Article 140 of the Treaty;

Euro or **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

Redenomination Date means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

Treaty means the Treaty on the Functioning of the European Union, as amended.

18. **Contract (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

19. Governing Law and Submission to Jurisdiction

The Agency Agreement, Deed of Covenant, the Notes, the Receipts, the Coupons and any non-contractual obligations arising out of or in connection with any of the aforementioned agreements, deeds and documents are governed by, and shall be construed in accordance with, English law.

19.1 Submission to jurisdiction

The Issuer irrevocably agrees, for the benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) and accordingly submits to the exclusive jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. The Noteholders, the Receiptholders and the Couponholders may take any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons), against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

19.2 Appointment of Process Agent

The Issuer appoints Orange Telecommunications Group Limited at its registered office at 3 More London Riverside, London, SE1 2AQ, England with registered number 07168292 as its agent for service of process, and undertakes that, in the event of Orange Telecommunications Group Limited ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

10. USE OF PROCEEDS

The Issuer intends to use the net proceeds from each issue of Notes for general corporate purposes, including the refinancing of current indebtedness. If, in respect of any particular issue, there is a particular use of proceeds, this will be stated in the applicable Final Terms.

11. SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement (the **Programme Agreement**) dated 12 June 2015, agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*" and "*Terms and Conditions of the Notes*" above. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with any update of the Programme and the issue of Notes under the Programme.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act. The Notes are being offered and sold only outside the United States in offshore transactions to non-U.S. persons in reliance on Regulation S under the Securities Act.

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that, except as permitted by the Programme Agreement, it will not offer, sell or deliver Notes (i) as part of their distribution at any time; and (ii) otherwise until 40 calendar days after the completion of the distribution (as determined and certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue)) of all Notes of the Tranche of which such Notes are a part within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 calendar days after the later of the date of the closing of the offering of any Series of Notes and the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus to any U.S. person or to any other person within the United States, other than as provided for herein, is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

Any person who purchases the Notes will be deemed to have represented, warranted and agreed, by accepting delivery of this Base Prospectus or delivery of the Notes, that it is purchasing the Notes in compliance with Rule 903 of Regulation S under the Securities Act in an offshore transaction, or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Terms used in the preceding paragraphs have the meanings given to them by Regulation S under the Securities Act

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each issue of Index Linked Notes shall be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issue and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms. Each relevant Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will offer, sell or deliver such Notes only in compliance with such additional U.S. selling restrictions.

Public Offer Selling Restrictions under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Base Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "Non-exempt Offer"), following the

date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that (a) the Issuer has given its written consent and (b) any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;

- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU) and includes any relevant implementing measure in each Relevant Member State.

12. TAXATION

The following is a summary limited to certain tax considerations in France and in Luxembourg relating to the payments made in respect of the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France and in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and as applied by the tax authorities, all of which are subject to changes or to different interpretation. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. It is included herein solely for information purposes and is not intended to be, nor should it be construed to be, legal or tax advice. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes in light of its particular circumstances.

a) EU Savings Directive

On 3 June 2003, the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Savings Directive**"). The Savings Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of certain payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted a Council Directive (the "**Amending Directive**") amending and broadening the scope of the requirements described above. The Amending Directive requires Member States to implement national legislation giving effect to these changes by 1 January 2016 (which national legislation must apply from 1 January 2017). If they were to take effect, the changes would expand the range of payments covered by the Savings Directive, in particular to include additional types of income payable on securities. The Amending Directive would also apply a "look through approach" to certain payments where an individual resident in a Member State is regarded as the beneficial owner of that payment for the purposes of the Savings Directive. This approach may apply to payments made to or by, or secured for or by, persons, entities or legal arrangements (including trusts), where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria is instead required to operate a withholding system in relation to such payments unless the beneficiary of interest payment elects for the exchange of information. The rate of this withholding tax is currently thirty-five per cent. (35%). The changes referred to above will broaden the types of payments subject to withholding in Austria when they are implemented. The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries.

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the Amending Directive.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to any law implementing or complying with, or introduced in order to conform to, the Savings Directive.

b) French Taxation

The descriptions below are intended as a basic summary of certain French withholding tax considerations relating to the payments in respect of the Notes made to a Noteholder (or beneficial owner of the Notes) who (i) is not a French resident for tax purposes, (ii) does not hold the Notes in connection with a permanent establishment or a fixed base in France and (iii) is not otherwise affiliated with the Issuer in particular within the meaning of Article 39,12 of the French General Tax Code. This summary is based on the tax laws and regulations of France, as currently in force and applied by the French tax authorities, all of which are subject to change or to different interpretation. This summary is for general information and does not purport to address all French tax considerations that may be relevant to specific holders in light of their particular situation. Persons considering the purchase of Notes should consult their own tax advisers as to French tax considerations relating to the purchase, ownership and disposition of Notes in light of their particular situation.

Savings Directive

The Savings Directive has been implemented in French law by Article 242 *ter* of the French General Tax Code (*Code général des impôts*) and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to French *Code général des impôts*. Article 242 *ter* of the French General Tax Code (*Code général des impôts*), imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Please refer to the section "*EU Savings Directive*" above for more details.

Withholding Tax

The following is an overview of certain tax considerations that may be relevant to holders of the Notes who do not concurrently hold shares of the Issuer and are not otherwise affiliated with the Issuer within the meaning of Article 39, 12 of the French General Tax Code.

- (a) Following the introduction of the French *loi de finances rectificative pour 2009* no. 3 (n° 2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to Notes (other than Notes (described below) which are assimilated (*assimilables* for the purposes of French law) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French General Tax Code (*Code général des impôts*)) will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code (*Code général des impôts*) unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (*Code général des impôts*) (a "**Non-Cooperative State**"). If such payments under the Notes are made in a Non-Cooperative State, a 75 % withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code (*Code général des impôts*).
- (b) Furthermore, interest and other revenues on such Notes are not deductible from the Issuer's taxable income, pursuant to Article 238 A of the French General Tax Code (*Code général des impôts*), if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in to a bank account opened in a financial institution located in such a Non-Cooperative State (the "**Deductibility Exclusion**"). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 and seq. of the French General Tax Code (*Code général des impôts*), in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code (*Code général des impôts*), at a rate of 30% or 75%, subject to the more favourable provisions of an applicable double tax treaty, if any.

Notwithstanding the foregoing, the Law provides that neither the 75% withholding tax set out under Article 125 A III of the French General Tax Code, the Deductibility Exclusion nor the withholding tax set out article 119 *bis* will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the official guidelines issued by the French tax authorities under the references BOI-INT-DG-20-50-20140211, no. 550 and 990, BOI-RPPM-RCM-30-10-20-40-20140211 no. 70 and 80, BOI-IR-DOMIC-10-20-20-60-20150320 no. 10, and BOI-ANX-000364-20120912 n°20, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code (*Code monétaire et financier*) or pursuant to an equivalent offer in a state other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code (*Code monétaire et financier*), or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

- (c) Payments of interest and other revenues with respect to Notes which are assimilated (*assimilables* for the purpose of French law) and form a single series with Notes issued (or deemed issued) outside France as provided under Article 131 quater of the French General Tax Code (*Code général des impôts*), before 1 March 2010, will continue to be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code (*Code général des impôts*).

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the official guidelines issued by the French tax authorities under the reference BOI-RPPM-RCM-30-10-30-30-20140211, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 quater of the French General Tax Code (*Code général des impôts*), in accordance the official guidelines issued by the French tax authorities under the reference BOI-RPPM-RCM-30-10-30-30-20140211.

In addition, interest and other revenues paid by the Issuer on Notes which are to be assimilated (*assimilables* for the purposes of French law) and form a single series with Notes issued before 1 March 2010 will not be subject to the non-deductibility set-out under Article 238 A of the French General Tax Code (*Code général des impôts*), or to the withholding tax set out in Article 119 bis of the French General Tax Code (*Code général des impôts*) solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

The tax regime applicable to Notes which do not satisfy the conditions mentioned hereinabove will be set out in the relevant Final Terms.

Payments made to French resident individuals

Pursuant to Article 9 of the 2013 Finance Law (*loi de finances pour 2013, n° 2012-1509 du 29 décembre 2012*) subject to certain limited exceptions, interest and other revenues received as from 1 January 2013 by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 24% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. If the amount of this withholding tax exceeds the amount of personal income tax due, the excess is refundable. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5% on interest and similar revenues paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

c) Luxembourg Taxation

Withholding Tax

(i) *Non-resident holders of Notes*

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the "**Laws**") mentioned below, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

Under the Laws implementing the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the "**Territories**"), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is a resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it is currently levied at a rate of 35 per cent. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws would at present be subject to withholding tax of 35 per cent.

(ii) *Resident holders of Notes*

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 as amended by the law of 17 July 2008 (the "**Law**") mentioned below, there is no withholding tax on payments of principal, premium or interest

made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law would be subject to withholding tax of 10 per cent.

Pursuant to the Law, Luxembourg resident individuals, acting in the course of their private wealth, can opt to self-declare and pay a 10 per cent. tax on interest payments made after 31 December 2007 by paying agents (defined in the same way as in the EU Savings Directive) located in a Member State of the European Union other than Luxembourg, a Member State of the European Economic Area other than a Member State of the European Union or in a State or territory which has concluded an international agreement directly related to the EU Savings Directive. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive. On 18 March 2014, a draft law was introduced into parliament by the Luxembourg Minister of Finance with a view to amend the laws of 21 June 2005 in that sense.

d) Hong Kong

The following is a summary of certain Hong Kong tax considerations relating to the purchase, ownership and disposition of the Notes by a beneficial owner of the Notes. This summary is based on the tax laws and regulations of Hong Kong as currently in effect and which is subject to change or to different interpretation. This summary is for general information only and does not address all of the Hong Kong tax considerations that may be relevant to specific holders in light of their particular circumstances.

Withholding tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Notes or in respect of any capital gains arising from the sale of the Notes.

Profits tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of assessable profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Chapter 112 of the Laws of Hong Kong) (the "**Inland Revenue Ordinance**"), as it is currently applied, interest on the Notes may be subject to profits tax where such interest has a Hong Kong source and is received by or accrued to:

- (i) a corporation, other than a financial institution (as defined in the Inland Revenue Ordinance), carrying on a trade, profession or business in Hong Kong;
- (ii) a person, other than a corporation, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business; or
- (iii) a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong, notwithstanding that the moneys in respect of which the interest is received or accrued are made available outside Hong Kong.

Any capital gains arising from the sale, disposal or redemption of the Notes will not be subject to profits tax in Hong Kong unless such sale, disposal or redemption is or forms part of the revenue or profits of such trade, profession or business carried on in Hong Kong.

Sums received by or accrued to a financial institution by way of gain or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal or redemption of Notes will be subject to Hong Kong profits tax.

Stamp Duty

Stamp duty will not be payable on the issue of the bearer Notes provided either:

- (i) such Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) such Notes constitute loan capital (as defined in the Stamp Duty Ordinance) (Cap. 117 of the Laws of Hong Kong) ("**Stamp Duty Ordinance**").

If stamp duty is payable, it is payable by the Issuer on the issue of bearer Notes at a rate of 3 per cent. of the market value of the Notes at the time of issue. No stamp duty will be payable on any subsequent transfer of bearer Notes.

No stamp duty is payable on the issue of registered Notes. Stamp duty may be payable on the transfer of registered Notes if the relevant transfer is required to be registered in Hong Kong. Stamp duty will, however, not be payable on any transfer of Registered Notes provided that either:

- (i) the registered Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) the registered Notes constitute loan capital (as defined in the Stamp Duty Ordinance)

If stamp duty is payable in respect of the transfer of registered Notes, it will be payable at the rate of an aggregate of 0.2 per cent. (of which usually 0.1 per cent. is payable by the seller and 0.1 per cent. is payable by the purchaser) normally by reference to the value of the consideration or to the value on the contract notes for such sale (whichever is higher). If, in the case of either the sale or purchase of such registered Notes, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay any unpaid stamp duty and also any penalties for the late payment. If stamp duty is not paid on or before the due date (two calendar days after the sale or purchase if effected in Hong Kong or 30 calendar days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the registered Notes if the relevant transfer is required to be registered in Hong Kong.

Estate Duty

No estate duty is payable in respect of the Notes in Hong Kong.

Capital gains tax

There is no capital gains tax in Hong Kong and no capital gains tax is chargeable or payable on the transfer or disposal of the Notes.

e) People's Republic of China

Enterprise Income Tax

Under the PRC Enterprise Income Tax Law which was promulgated by the National People's Congress of the PRC on 16 March 2007 and became effective on 1 January 2008, the Noteholders that are enterprises established in the PRC or in foreign country with a "de facto management body" located with the PRC will be considered "PRC tax resident enterprises" and will normally be subject to the enterprise income tax at the rate of 25% on the profits related to the interests received and the capital gains derived from the transfer of the Notes.

If the Noteholders are not considered to be PRC tax resident enterprises, they will not be subject to enterprise income tax in the PRC in respect of Notes or any repayment of principal and payment of interests made thereon.

Individual Income Tax

Under the PRC Individual Income Tax Law which was promulgated by the National People's Congress of the PRC on 10 September 1980, and the Sixth Amendment to the PRC Individual Income Tax Law promulgated by the National People's Congress on 30 June 2011 and became effective on 1 September 2011, the Noteholders that are PRC resident individuals will normally be subject to the individual income tax at the rate of 20% on the interests received and the capital gains derived from the transfer of the Notes.

If the Noteholders are not PRC resident individuals, they will not be subject to individual income tax in the PRC in respect of Notes or any repayment of principal and payment of interests made thereon.

Business Tax

Under the PRC Business Tax Regulations which were promulgated by the State Council of the PRC on 13 December 1993 and amended by the State Council on 10 November 2008 (the amendment became effective as of 1 January 2009) and the

related circulars, interests received by non-individual Noteholders located within the PRC territory and gains derived from transfer of Notes (i.e. the balance of the transfer value and the purchase value) realized by such non-individual Noteholders will be subject to Business Tax at the rate of 5%.

Such non-individual Noteholders will additionally be liable for PRC Surtaxes, (i.e. the City Maintenance & Construction Fee, Educational Surcharge and Local Educational Surcharge), at a rate varying from 6% to 12% (according to their location in the PRC) on the amount of their Business Tax liability.

Non-individual Noteholders located outside the PRC territory are not subject to Business Tax and PRC Surtaxes in respect of Notes or any repayment of principal and payment of interests made thereon.

Individual Noteholders located within the PRC territory are tentatively exempt from Business Tax and PRC Surtaxes in respect of capital gains derived from the transfer of the Notes. Individual Noteholders located within the PRC territory are generally liable for Business Tax and PRC Surtaxes in respect of the interest derived from the Notes but the Business Tax and PRC Surtaxes are not levied currently in practice.

Individual Noteholders located outside the PRC territory are not subject to Business Tax and PRC Surtaxes in respect of Notes or any repayment of principal and payment of interests made thereon.

3. SELECTED FINANCIAL INFORMATION

Please refer to section 1.2 of the Orange 2014 Share Registration Document, pages 6.

4. RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. These factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with

any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

4.1 Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

(a) General

Please refer to section 2.4 of the Orange 2014 Share Registration Document, pages 36 to 41.

(b) French insolvency law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the "Assembly") if a safeguard procedure (*procédure de sauvegarde*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a Euro Medium Term Note programme) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), accelerated safeguard procedure plan (*projet de plan de procédure de sauvegarde accélérée*), accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (charges) of holders of debt securities (including the Noteholders) by rescheduling payments which are due and/or partially or totally writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third (2/3) majority (calculated as a proportion of the amount of debt securities held by the holders which have cast a vote at such Assembly). No quorum is required to hold the Assembly.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus will not be applicable with respect to the Assembly to the extent they conflict with compulsory insolvency law provisions that apply in these circumstances.

4.2 Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

(a) The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and

- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

(b) Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

- (i) *Notes subject to optional redemption by the Issuer*

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

- (ii) *Variable rate Notes with a multiplier or other leverage factor*

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

- (iii) *Inverse Floating Rate Notes*

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

- (iv) *Fixed Rate Notes*

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

- (v) *Floating Rate Notes*

Investment in Floating Rate Notes (i) comprise a reference rate and (ii) may comprise a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin (if any) will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of Floating Rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. In addition, investors will not be able to calculate in advance their rate of revenue on Floating Rate Notes.

- (vi) *Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the

Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

(vii) *Notes issued at a substantial discount or premium*

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

(viii) *Index Linked Notes which are Inflation Linked*

Index Linked Notes which are Inflation Linked are debt securities which do not provide for predetermined interest payments and/or in respect of which the principal is indexed. Interest amounts and/or principal will be dependent upon the performance of either (i) the consumer price index (excluding tobacco) for all households in metropolitan France (the "CPI"), as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques* ("INSEE"), (ii) the harmonised index of consumer prices excluding tobacco, or the relevant successor index, measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published monthly by Eurostat (the "HICP") or (iii) the United States consumer price index as reported monthly by the Bureau of Labor Statistics of the U.S. Department of Labor and published by Bloomberg page "CPURNSA" or any successor source (the "US CPI") (each an "Inflation Index" and together, the "Inflation Indices"). If the value of the relevant index calculated at anytime prior to the maturity date is lower than the value of the relevant index at the time of the issue of the Notes or at the time of purchase by the Noteholders, then the amount of interest payable by the Issuer and/or the principal of Index Linked Notes which are Inflation Linked may vary. Noteholders may receive no interest. However, if the nominal amount to be repaid at maturity is below par, such Index Linked Notes which are Inflation Linked will be redeemed at par.

Neither the current nor the historical levels of any of the Inflation Indices should be taken as an indication of future performance of such index during the term of any Index Linked Notes which are Inflation Linked.

Index Linked Notes which are Inflation Linked are not in any way sponsored, endorsed, sold or promoted by the INSEE or Eurostat, as the case may be, and the INSEE or Eurostat, makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of any of the Inflation Indices and/or the figure at which such indices stand at any particular time. The Inflation Indices are determined, composed and calculated by the INSEE or Eurostat, as the case may be, without regard to the Issuer or the Notes. The INSEE or Eurostat, as the case may be, is not responsible for or has not participated in the determination of the timing of, prices of, or quantities of the Index Linked Notes which are Inflation Linked to be issued or in the determination or calculation of the interest payable under such Notes.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to the Inflation Indices. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to the Inflation Indices that is or may be material in the context of Index Linked Notes which are Inflation Linked. The issue of Index Linked Notes which are Inflation Linked will not create any obligation on the part of any such persons to disclose to the Noteholder or any other party such information (whether or not confidential).

(c) **Risks related to Notes generally**

Set out below is a brief description of certain risks relating to the Notes generally:

(i) *Modification, waivers and substitution*

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Conditions of the Notes also provide that the Paying Agents and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except as mentioned above) of the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

(ii) *EU Savings Directive*

On 3 June 2003, the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Savings Directive**"). The Savings Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of certain payments of interest and other similar income within the meaning of the Savings Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted a Council Directive (the "**Amending Directive**") amending and broadening the scope of the requirements described above. The Amending Directive requires the Member States to apply these new requirements from 1 January 2017. If they were to take effect, the changes would expand the range of payments covered by the Savings Directive, in particular to include additional types of income payable on securities. The Amending Directive would also apply a "look through approach" to certain payments where an individual resident in a Member State is regarded as the beneficial owner of that payment for the purposes of the Savings Directive. This approach may apply to payments made to or by, or secured for or by, persons, entities or legal arrangements (including trusts), where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria is instead required to operate a withholding system in relation to such payments unless the beneficiary of interest payment elects for the exchange of information. The rate of this withholding tax is currently thirty-five per cent. (35%). The changes referred to above will broaden the types of payments subject to withholding in Austria when they are implemented. The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries.

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the Amending Directive.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to any law implementing or complying with, or introduced in order to conform to, the Savings Directive.

Investors who are in any doubt should consult their professional advisers.

(iii) *Change of law*

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus.

(iv) *Notes where denominations involve integral multiples: Definitive Notes*

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a Definitive Note in respect of such holding (should Definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If Definitive Notes are issued, holders should be aware that Definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

(v) *Taxation*

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial notes such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

(vi) *The proposed financial transactions tax*

The European Commission has published a proposal for a Directive for a common financial transaction tax (the "FTT") in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia.

The proposed FTT has very broad, potentially extraterritorial scope. It would apply to financial transactions where at least one party is a financial institution, and (a) one party is established in a participating Member State or (b) the financial instrument which is subject to the transaction is issued in a participating Member State. A financial institution in the meaning of the proposal for a Directive for a FTT encompasses a wide range of entities, including certain credit institutions but also, *inter alia*, certain regulated markets, UCITS, AIF, securitisation vehicles and individuals. A financial institution may be, or be deemed to be, "established" in a Member State in a broad range of circumstances.

The issuer is incorporated in France and therefore financial institutions worldwide would be subject to the FTT when dealing in the Notes.

In relation to many secondary market transactions in bonds and shares, the FTT would be charged at a minimum rate of 0.1% on each financial institution which is party to the transaction. The issuance and subscription of the Notes should, however, be exempt. There are no broad exemptions for financial intermediaries or market makers. Therefore, the effective cumulative rate applicable to some dealings in bonds or shares (for instance, cleared transactions) could be greatly in excess of 0.1%.

A person transacting with a financial institution which fails to account for FTT would be jointly and severally liable for that tax.

A joint statement issued on 27 January 2015 by ten (10) of the eleven (11) Participating Member States indicated the Participating Member States' intention to implement the FTT no later than 1 January 2016 with the widest possible base and low rates.

The FTT proposal remains subject to negotiation between the participating Member States and is likely to remain the subject of legal challenge. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional Member States may decide to participate. Prospective holders of the Notes are strongly advised to seek their own professional advice in relation to the FTT.

(vii) *Risks relating to Renminbi-denominated Notes*

Notes denominated in RMB ("**RMB Notes**") may be issued under the Programme. RMB Notes contain particular risks for potential investors, including the following:

- (a) Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC

Renminbi is not freely convertible at the present and despite a movement towards liberalisation of cross-border RMB remittances, notably in the current account activity, and the permission for certain participating banks in Hong Kong, Singapore and Taiwan to engage in the settlement of current account trade transactions in Renminbi under certain pilot schemes, there is no assurance that the PRC government will continue to liberalise control over the cross-border Renminbi remittance in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. Further, if any new PRC regulations are promulgated in the future which have the effect of permitting or restricting (as the case may be) the remittance of Renminbi for payment of transactions categorised as capital account items, then such remittances will need to be made subject to the specific requirements or restrictions set out in such rules.

Holders of Notes denominated in Renminbi may be required to provide certifications and other information (including Renminbi account information) in order to allow such Holder to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong, Singapore and Taiwan.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of RMB Notes and the Issuer's ability to source Renminbi outside the PRC to service such RMB Notes

As a result of the restrictions by the PRC Government on cross-border Renminbi fund flows, the availability of Renminbi outside of the PRC is limited.

While the People's Bank of China has established Renminbi clearing and settlement mechanisms for participating banks in Hong Kong, Singapore and Taiwan through settlement agreements on the clearing of Renminbi business (the "**Settlement Agreements**") with Bank of China (Hong Kong) Limited in Hong Kong, Industrial and Commercial Bank of China, Singapore Branch in Singapore and Bank of China, Taipei Branch in Taiwan, the People's Bank of China has provided several restrictions over the business scope of offshore participating banks in respect of cross-border Renminbi settlement (e.g. related to direct transactions with PRC enterprises), which further limits the availability of Renminbi that participating banks can utilise for conversion services for their clients.

On 14 June 2012, the HKMA introduced a facility for providing Renminbi liquidity to authorised institutions participating in Renminbi business ("**Participating AIs**") in Hong Kong. The facility will make use of the currency swap arrangement between the People's Bank of China and the HKMA. With effect from 15 June 2012, the HKMA will, in response to requests from individual Participating AIs, provide Renminbi term funds to the Participating AIs against eligible collateral acceptable to the HKMA. The facility is intended to address short-term Renminbi liquidity tightness which may arise from time to time, for example due to capital market activities or a sudden requirement for Renminbi liquidity by the Participating AIs' overseas bank customers.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange and of requirements by the Hong Kong Monetary Authority. There is no assurance that a change in PRC regulations will not have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of the RMB Notes. To the extent the Issuer is required to source Renminbi in the offshore market to service its RMB Notes, there is no assurance that the Issuer will be able to source such Renminbi on satisfactory terms, if at all. If it becomes impossible to convert RMB from/to another freely convertible currency, or transfer RMB between accounts in Hong Kong, or the general RMB exchange market in Hong Kong becomes illiquid, any payment of RMB under the Notes may be delayed or the Issuer may make such payments in another currency selected by the Issuer using an exchange rate determined by the Calculation Agent, or the Issuer may redeem the Notes by making payment in another currency.

RMB Notes issued under the Programme may only be held in Euroclear France, Euroclear and Clearstream, Luxembourg. Noteholders may only hold RMB Notes if they have an account with Euroclear France or maintained with an Account Holder which itself has an account with Euroclear France (which include Euroclear and Clearstream, Luxembourg).

(b) Investment in RMB Notes is subject to exchange rate risks

The value of Renminbi against the Euro, the U.S. dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. All payments of interest and principal with respect to RMB Notes will be made in Renminbi. As a result, the value of these Renminbi payments in Euro or U.S. dollar terms may vary with the prevailing exchange rates in the marketplace. If the value of Renminbi depreciates against the Euro, the U.S. dollar or other foreign currencies, the value of investment in Euro, U.S. dollar or other applicable foreign currency terms will decline.

(c) Investment in RMB Notes is also subject to interest rate risks

The PRC government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. Notes denominated in RMB will generally carry a fixed interest rate. Consequently, the trading price of such Notes will vary with fluctuations in Renminbi interest rates. If a Noteholder tries to sell such Notes before their maturity, he may receive an offer that is less than his original investment.

(d) RMB currency risk

Except in limited circumstances, all payments of Renminbi under the RMB Notes will be made solely by transfer to a Renminbi bank account maintained in Hong Kong in accordance with the prevailing rules and regulations for such transfer and in accordance with the terms and conditions of the RMB Notes. The Issuer cannot be required to make payment by any other means (including by transfer to a bank account in the PRC or anywhere else outside Hong Kong). For persons holding RMB Notes through Euroclear France, Euroclear or Clearstream, Luxembourg, payments will also be made subject to the procedures of Euroclear France, Euroclear or Clearstream, Luxembourg, as applicable.

- (e) Developments in other markets may adversely affect the market price of any RMB Notes

The market price of RMB Notes may be adversely affected by declines in the international financial markets and world economic conditions. The market for RMB denominated securities is, to varying degrees, influenced by economic and market conditions in other markets, especially those in Asia. Although economic conditions are different in each country, investors' reactions to developments in one country can affect the securities markets and the securities of issuers in other countries, including the PRC. Since the sub-prime mortgage crisis in 2008, the international financial markets have experienced significant volatility. Should similar developments occur in the international financial markets in the future, the market price of RMB Notes could be adversely affected.

- (f) The Issuer may make payments of interest and principal in U.S. dollars in certain circumstances

Although the primary obligation of the Issuer is to make all payments of interest and principal with respect to the RMB Notes in Renminbi, in the event access to Renminbi deliverable in Hong Kong becomes restricted by reason of Inconvertibility, Non-transferability or Illiquidity (each as defined the Terms and Conditions of the Notes), the terms of such RMB Notes allow the Issuer to make such payment in U.S. dollars at the prevailing spot rate of exchange, all as provided for in more detail in the Terms and Conditions of the Notes. As a result, the value of such payments in Renminbi may vary with the prevailing exchange rates in the marketplace. If the value of the Renminbi depreciates against the U.S. dollar the value of a Noteholder's investment in U.S. dollar will decline.

- (g) Risk of change in Government Support and Regulatory Regime

Renminbi Notes issuance is subject to laws and regulations of the relevant Renminbi settlement centre(s). The PRC's Government currently views Hong Kong as one of the key offshore Renminbi-denominated debt instrument centres and has established a cooperative relationship with Hong Kong's local government to develop the Renminbi-denominated debt instrument market. There can be no assurance that the PRC's Government will continue to encourage issuance of RMB-denominated debt instruments outside of mainland China and any change in the PRC Government's policy or the regulatory regime governing the issuance of Renminbi-denominated debt instruments may adversely affect the Renminbi Notes.

- (d) **Risks related to the market generally**

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

- (i) *The secondary market generally*

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

- (ii) *Exchange rate risks and exchange controls*

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

- (iii) *Credit ratings may not reflect all risks*

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect

the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

(e) Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

(f) Interests of Dealers

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and their affiliates in the ordinary course of business. Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuer and its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

On 10 March 2015, Orange received the expected statement of objections under the investigation into the Company's practices in the fixed and mobile enterprise markets by the French Competition Authority. The statement of objections levied four grounds for complaints against Orange: one for discrimination in the wholesale fixed-line market, two regarding loyalty practices in the mobile enterprise market and one for exclusive discounts in the enterprise data market. The Competition Authority's final decision is expected at the end of 2015. On 13 May 2015, the Competition Authority indicated that its investigating staff will review Orange's reply submissions as part of the usual adversary proceedings before handing over the case to the Board of the Authority, which will determine whether Orange's practices are anticompetitive and potentially impose a fine.

There has been no other significant development in the Group's legal or arbitration proceedings since the publication of the Orange 2014 Share Registration Document.

The offer will be open from 28 May 2015 to 24 June 2015. It is conditional on shareholders of Jazztel holding in aggregate at least 50% plus one share of the maximum theoretical share capital irrevocably accepting the offer. Orange has already secured irrevocable commitments to accept the offer from shareholders representing 14.804% of the issued share capital of Jazztel.
