Disclaimer

This presentation contains forward-looking statements about Orange, notably on objectives and trends related to Orange's financial situation, investments, results of operations, business and strategy. These forward-looking statements do not constitute a forecast as defined in EU Commission Regulation No. 809/2004 and although we believe these statements are based on reasonable assumptions, they are subject to numerous risks and uncertainties, including matters not yet known to us or not currently considered material by us, and there can be no assurance that anticipated events will occur or that the objectives set out will actually be achieved. More detailed information on the potential risks that could affect our financial results is included in the Registration Document filed on 21 March 2019 with the French Autorité des Marchés Financiers (AMF) and in the annual report (Form 20-F) filed on 16 April 2019 with the U.S. Securities and Exchange Commission. Other than as required by law, Orange does not undertake any obligation to update them in light of new information or future developments.
